

Being a column in which the publisher just "blows off the steam."

By Willard Jones

CLIFF REYNOLDS JR. was checking up the other day with a fellow about some modern beautifier he had sold.

"Well, Tim, did that mudpack I suggested improve your wife's appearance?"

"It did for a couple of days," replied the customer, "but then it wore off."

THESE QUIRPS are some we just accumulated along the road of browsing through our exchanges and the like . . .

Today's lesson in etiquette: Don't try to make your guests feel at home. If they wanted to feel at home, they would have stayed there.

Women like to gossip because it gives them something to talk about while talking.

A modern girl's bathing suit is real cool because most of it is real gone.

The older generation thought nothing of getting up at 5:00 o'clock in the morning—and the younger generation doesn't think so much of it either.

A FARMER out in the Hamlin community came home recently with a new wife some 40 years his junior. Later he asked his eldest hired hand what he thought of her.

The old man shook his head slowly. "Well, she's a mighty wiry young lady, all right."

"Then what seems to be the trouble?"

"Oh, there ain't no trouble, boss. It's just that I hate to see a man start out on a day's work so late in the afternoon."

SLIM CROW, popular grocer down the street, had the answer handy the other day for a customer of his . . .

"That's a stiff price for potatoes!" exclaimed a woman to the prune peddler.

"They're very rich in starch, madam," Slim replied.

YOU CAN'T TELL what a pretty young nurse up at the Hamlin Memorial Hospital is thinking about these days.

After a visit to an old friend in the hospital recently, we took the patient's lovely nurse aside and asked, "Give me the real low-down. Is he making any progress?"

"None at all," replied the nurse decisively. "He's not my type."

AN EXPLANATION of some of the more subtle meanings of the language used in official communications:

"You will show him every courtesy" means his uncle is a general.

"You will take necessary action" means it's your headache now.

"You will remember" means I have forgotten.

"For immediate action" means do something quick before we both get in trouble.

SHERIFF DAVE REVES of Anson was in town again first of the week. He had some nice things to say about folks of these parts who sit on juries in cases that come up in the courts at Anson in which he acts as bailiff or in other capacities.

"I'd hate to be guilty of a crime and take my chances of being acquitted by a jury composed of folks like you who are determined to see that the law is enforced and punishment meted out to the guilty. Jones County juries have the reputation of not only giving fair treatment to all being tried in our courts, but they also are not afraid to mete out punishment to those who have it coming to them.

"Such an attitude is good for the community—and even good for the guilty, because it makes them realize that crime doesn't pay, and that it is difficult to get by with crime."

Two-County Singing Set at Hamlin Church

Foursquare Gospel Church, at the corner of Southwest Avenue D and Second Street, will be the site Sunday afternoon for the regular Jones and Fisher County singing.

The songfest will get underway at 2:00 o'clock, to which the public is invited.

HAPPY MOMENT—Yvonne Skinner, 21-year-old Lubbock miss, is shown after being crowned 1958 South Plains Maid of Cotton in Lubbock. Miss Skinner, also Miss Lubbock of 1958, won out over 13 other contestants and did it with a classic measurement of 34-23-35. The winner, a Texas Tech senior, will travel to Memphis for the nation Maid of Cotton contest.

J.C. Turner Jr. Heads Hospital Directors

Net worth of the plant of the Hamlin Memorial Hospital Association was set at \$131,722.67 in the annual report of the auditors for the organization, presented at the annual business meeting of the association recently. A fine financial report was given by the auditor, who noted that \$9,582.11 in indebtedness had been retired during the past year.

Herald Plant Again Prints Election Ballots

Printing department of The Hamlin Herald this week wound up the production of about 100,000 general election ballots for nearly 40 West Texas counties.

The ballots, size 11x28 inches, were printed, numbered and perforated at one operation on the automatic Miehle press in the Herald's shop, a type of press not common in most of the smaller printing shops.

Outline of Proposed Constitutional Amendments Presented for Voters

Proposed amendments to the state constitution are regarded as the most interesting feature of the general election ballot, to be cast next Tuesday by voters of the Lone Star State.

The Herald below gives a brief digest of the nine different amendments in the order in which they appear on the ballot. Voters are urged to study the amendments before going to the polls to cast their ballots.

No. 1—Provides for annual sessions of the Legislature, changing the compensation, per diem and travel expenses of members of the Legislature and authorizing temporary residence of the lieutenant governor and speaker of the House in the capitol building.

No. 2—Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct.

No. 3—Provides that vacancies in the office of county judge and

has become one of Central West Texas' finest hospitals. It is being operated by three Hamlin physicians and surgeons under a 15-year lease from the association. Twelve years of the lease remain under contract.

More than 400 stockholders living in the Hamlin region and elsewhere are owners of stock, which was sold without thought of any profit ever. Only a very small percentage of those stockholders attended the annual meeting—a fact disappointing to the directors, Secretary J. E. Patterson said.

At the business session Fred Smith was elected as a new director to replace W. L. Fletcher Jr., who moved last year to Abilene. Other directors are Raleigh Reynolds, F. W. Poe, C. E. Gregory, J. C. Turner Jr., J. E. Patterson, M. S. Johnson, Ralph Riddle and Alton Mayfield.

Following the stockholders' general session, the directors met and elected the following officers: J. C. Turner Jr., president; C. E. Gregory, vice president; and J. E. Patterson, secretary.

Justices of the peace shall be filled by the Commissioners Court only until the next general election.

No. 4—Provides that any district, county or precinct official serving a four-year term must resign before announcing for a different office if there remains unserved more than one year of the term for which he was elected.

No. 5—Provides that a home rule city may provide by charter provision, and a city operating under the general laws may provide by majority vote, for a longer term of office than two years for its officers, either elective or appointive, or both not to exceed four years.

No. 6—Provides for pension to retired Texas Rangers who are ineligible to participate in the employees retirement system of Texas, and their widows.

No. 7—Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational,

Interest Grows in General Election Voting Tuesday

Cartoon Series in Herald to Feature Home Patronage

The Hamlin Herald is this week beginning a series of editorial and institutional cartoons that point to the various types of businesses that are in Hamlin. They show usually in a humorous way, the advantages and the importance of buying in Hamlin with local merchants.

Your money means more to you when you spend it here in Hamlin. Let's reflect on this for a moment or two . . .

Local merchants and their employees are usually your fellow citizens, your neighbors and your friends. They stand behind their counters, on their display room floors always ready and anxious to stand behind the merchandise that is sold. That is why great care is taken when they do their buying for your buying pleasure. Remember, the more you buy in Hamlin, the better our merchants can serve you.

Prices are usually the same, if not lower, especially in these days of "fair trade" items. The delivery is much quicker, the service is certainly better, and it is far less trouble all around.

Another reason—and probably the most important reason why you should buy in Hamlin—money spent locally helps meet local payrolls, helps pay local taxes, helps local schools, churches, the fire department, police department, improves sanitary services and what-have-you.

Your money works its way directly into the life-blood of the community and works directly or indirectly for the good of all who live in the community.

Omar Burleson Has Perfect Voting Record in Last Congress

A review of the record of the eighty-fifth Congress, which adjourned in August, shows Congressman Omar Burleson of Anson, 17th District of Texas, to be one of 22 members of the House with a perfect 100 per cent record no roll calls, according to a release to The Herald from Washington.

There were 193 roll calls during the first and second sessions of the Congress, and Burleson was present in every instance, and is on the record with a "yea" or "nay" vote.

The average of the 435 members of the House is 87 per cent of the roll calls.

Of the 22 with perfect voting participation records, four are Texans. Besides Burleson those are Beckworth, Brooks and Ruth-erford.

POLICE ROUT BARRICADED MAN—While fellow officers cover them, a policeman and detective, armed with tear gas bombs, race toward a house in the Oak Cliff section of Dallas where a man had barricaded himself and threatened to shoot anyone who came near. The man, identified as Leonard O. Cooper, 37, was flushed from the house by the tear gas and was taken into custody.

Better Mail Service Assured By New Mail Truck Contract

Methodist Youths To Solicit Funds For CROP Sunday

Instead of asking for something for themselves for a Halloween "trick or treat" the Methodist Youth Fellowship of the First Methodist Church will be asking people of the Hamlin community to share with those in need overseas through CROP, the Christian Rural Overseas Program.

The youth group will meet Sunday afternoon at 2:00 o'clock at the church and will start ringing doorbells shortly thereafter for contributions to CROP. Each person making contributions will be wearing an official CROP identification tag. The money given will help to distribute government surplus foods.

Last year the young people in 223 communities in Texas collected \$49,058 for CROP. Every dollar contributed sent 300 pounds of food.

The Hamlin youth group will be working under the direction of Rev. Edmund W. Robb, pastor; Ronny Parker, youth worker; and Gene Murff, MYF president.

J. C. TURNER JR., Hamlin attorney, was elected president of the board of directors of the Hamlin Memorial Hospital Association at the annual business session of the group October 19. He succeeds C. E. Gregory of Neida community, who became vice president. J. E. Patterson was re-elected secretary-treasurer of the association.

First commercial advertising was done orally or with pictures because writing had not yet been developed.

Later Departure From Abilene to Speed Delivery

Better mail service for Hamlin and community is expected to result from the change in manner of daily delivery and pick-up of mail to and from the region, effective November 1, according to Perry F. Sparks, Hamlin postmaster.

New contract was awarded to C. C. Westfall of Fort Worth last Wednesday by regional post office officials at Fort Worth that will take mail handling from the Santa Fe Railway that has handled the incoming and outgoing mail for more than 50 years at Hamlin.

Formerly mail was assembled at Sweetwater and brought up to Hamlin by train. Likewise it was dispatched by train and disseminated at Sweetwater.

Beginning November 1 trucks of Westfall will leave Abilene no earlier than 2:45 a. m. (time of arrival of the west-bound Texas & Pacific train from Fort Worth and the East) and not later than 6:00 a. m. for Hawley, Anson, Hamlin, Aspermont, Swenson, Peacock, Girard and Spur and return.

Carl Greenway, who now holds contract of a routing to and from Anson will continue to make the run as well as an additional run to Stamford and return and Aspermont and return. Mail posted by 3:00 p. m. will be taken by Greenway to Anson, where connections are made for air mail terminals that evening. Letters will arrive in New York, for example, by 7:00 a. m. the next day, and that afternoon in London.

All mail will be closed 6:00 p. m. instead of the present 6:30 closing time, Sparks announces.

Lions Club Nets \$150 From Sale of Brooms

Hamlin Lions Club realized a net profit of \$150.56 on the sale last week of brooms and mops made by the blind, according to Ed Croan, chairman of the sales crews when which canvassed the residential and business sections of the city. Proceeds will be used for projects with youngsters with deficient eyesight in the Hamlin community.

The brooms and other articles are made by workers at the Fort Worth Lighthouse for the Blind.

Amendments Are Chief Concern of Voters in County

Increasing interest is being manifested this week by voters of the Hamlin territory in the forthcoming general election set next Tuesday, according to spot checks by a Herald representative.

While considerably less votes than the 3,378 ballots cast in the first Democratic primary election in July will probably be cast in Tuesday's voting, more than the usual number voting in general elections is expected to go to the polls.

Chief items of interest on the long five-column ballot will be the nine proposed amendments to the state constitution. Approved by the last session of the Texas Legislature, the amendments must be approved by a majority of the voters before they become law.

A thumb-nail discussion of the amendments will be found in another column of today's Herald.

Hamlin voters will cast their ballots as follows: East Side voters will ballot at the city hall under the supervision of Tom Routh; West Side voters will do their balloting at the high school gymnasium under the supervision of Mrs. Brad Rowland.

Baptist Pastors to Go To State Convention

Rev. Calvin Bailey, pastor of the First Baptist Church, and Rev. Woodrow McHugh, pastor of the North Central Avenue Baptist Church, will be among leaders of the area who will attend annual session of the seventy-third Baptist General Convention of Texas next week at San Antonio.

Experts in the fields of education and economics head a long list of prominent speakers.

C. G. Green Mending Following Surgery

C. G. Green, former superintendent of Hamlin Schools, long time Rotarian and resident of the community, underwent major surgery Monday in a Dallas hospital. He is reported doing fairly well at mid-week. Mrs. Green is with him.

His address is Room 1716, Medical Arts Building, Dallas, Texas, in case people of the community wish to write him.

Who's New This Week

Mr. and Mrs. Weldon R. Townsend of Abilene are announcing the birth on October 25 of a new daughter at Hendrick Memorial Hospital. The little miss has been named Melissa Ann. Paternal grandparents are Mr. and Mrs. W. R. Townsend, and maternal grandparents are Mr. and Mrs. Alton Mayfield, all of Hamlin.

Four new citizens are reported by the Hamlin Memorial Hospital since last week's report in The Herald. One girl and three boys, they are:

A girl for Mr. and Mrs. C. W. Willingham arrived October 20. The seven-pound 12-ounce lady has been named Lisa Kay.

A boy was born to Mr. and Mrs. Burl Jamerson of Aspermont on October 22. Lightweight of the new-borns at five pounds 10 ounces, he has been labeled as Thomas Dean.

A boy for Mr. and Mrs. Leo Larkin was born October 23. Tipping the scales at seven pounds 15 ounces, he will answer to Leo Carl.

A boy arrived for Mr. and Mrs. Jesse Mendoza on October 24. No name had been assigned to the youngster at press time, who balanced the scales at seven pounds six ounces at birth.

HOW BOUT THAT

ONE REASON I LIKE DEALING WITH YOU IS BECAUSE YOU NEVER TRY TO SELL ME THINGS THAT AREN'T REALLY NECESSARY, AND THE THINGS I DO BUY REALLY GIVE ME MY MONEY'S WORTH

MOST TRANSACTIONS OF TODAY USE CHECKS

Competing with the United States mint in the production of paper money, approximately \$2,000,000 Americans are now issuing currency of their own. This private money appears in the form of the check, that little slip of paper so vital to our personal and national economies.

Experts tell us that about 90 per cent of all financial transactions in the United States are handled by check, and that the dollar value of checks written by Americans in 1957 exceeded three trillion dollars.

Three are approximately \$107,000,000,000 of "checkbook currency" in circulation these days, and only around \$28,000,000,000 of the government's coins and bills.

There is still another kind of money without which our economy would slow down. This, oddly enough, is a non-existent currency. It is known as "float money," and averages around a billion dollars at any time. It exists

because we frequently write checks against deposits of ours which are still in transit. Thus, we mail our paycheck to the bank and, before it gets there, write a check to the grocer. He sends this check to his bank but, before it arrives there, gives one of his suppliers a check against that. And so it goes.

Your bank won't appreciate it, but you are perfectly free to use just about anything you like as a check. So long as you show all the pertinent information, a check can be written on stone, metal or any other reasonably permanent material. And, despite what you have been told, a rubber check, even if it bounces, is good. A wag once wrote such a check on a rubber ball, bounced it into his bank, and had it cashed. The transaction did not make him very popular with the staff of the bank, and we do not recommend this to you if you are interested in making friends in the banking profession.

Big Risks Are Not New

The United States must continue not only to pioneer in the American tradition, but on a scale grander than ever before if she is to fulfill her potential as a nation. And we must take the "big risk" whenever a likely opportunity presents itself.

That is the gist of an article appearing in a recent issue of the American Petroleum Institute Quarterly, written by the top officer of a major steel company. As he sees the situation, "There are big risks to be taken in every phase of psychology, sociology and government, in every phase of engineering and the physical sciences, in every area of business and industry." He lays stress on the urgent need to develop "a basic research structure that will dwarf anything the world has ever seen."

Big risks, of course, are not new in this country, and the author cites two examples from American industry. The first of these involves drilling for oil in the Gulf of Mexico. The second is the venture undertaken by mining and steel companies to extract commercial quantities of iron ore from an extremely hard rock called taconite. To date nearly \$3,000,000,000 already have been invested in these two giant efforts by the industries concerned. And in the event of war, he writes, these operations "could well mean the difference between victory and defeat."

Oil and steel—along with many other enterprises—accept big risks as a matter of course. And in the long run, the big winner is the public at large.

Patriotism Is Many Things

Patriotism isn't marching behind a band and puffing out your chest. Patriotism isn't a flash of fireworks one day of the year, and then submerging one's emotions the rest of the year. Patriotism isn't found in the whooping of the crowd or maudlin flag-waving.

Patriotism is the sum of the three cardinal virtues: Faith, hope and charity. Faith in the principles of our government; hope in the future of our country; charity toward all and malice toward none.

Patriotism is the emotion that makes a lump rise in the throat when some interpid spirit strives to achieve something that no human being ever before achieved.

Patriotism is to be unshamed at the moisture that comes welling up in our tear-ducts with the passing of some great and noble soul, who unselfishly devoted his life to the cause of mankind.

Patriotism is loving one's country, respecting its traditions and honoring its people, whether high or low, rich or poor.

Patriotism is standing firm and unselfish for the right, for the common good, and the peace and well-being of all; sacrificing self if need be, and unafraid against all opposition.

Making Liberty Count

Many nations celebrate an independence day of their own, a day commemorating their liberation from the yoke of a foreign power or the domination of a home-grown tyrant. With us it is the Fourth of July, and it has been so now for 182 years—no mean record.

There is a difference between the independence of free peoples and the independence days of peoples whose concepts of liberty are, to say the least, rather strained. Our notion of liberty is bound up with the principles of freedom of the individual. We believe that the state is the servant of its citizens; many others feel that the reverse is true.

This difference, elementary as it seems, is the keystone of our continued survival as a free people. It will hold firm so long as we support the basic tenet that the dignity of a human being must never be violated—by his own misbehavior, by the ill-will of his fellow-men, or by the uncaring prods of his government. Liberty can be a delicate plant, and it is up to us to tend it properly with intelligence, devotion, courage and tolerance.

Oh, My Aching Back!

It's no wonder you're usually tired by the time the day is over. Ever stop to figure out all you do every 24 hours?

According to Dr. Morris Fishbein, former editor of the American Medical Association and now one of the editors of the Journal Post-graduate Medicine, the person "of average weight" does all this every 24 hours:

Your heart beats—103,680 times.
You breathe—23,040 times.
You perspire—1.43 pints.
Your hair grows—.01714 inch.
You speak—5,000 words.
You use—seven million brain cells.
You say "yes, dear"—over and over.
You smell—slightly.
You cough—maybe.
Yep, it's a tough life, folks.

Out of Proportion

Two simple facts give you a clue to what has been happening in American history.

Fact one is output of goods in factories for each man-hour of work has risen only a trifle more than one per cent in the two years since 1955.

Fact two is that hourly pay of factory workers has in that same period gone up a bit more than 10 per cent.

Education is the most selfish thing in the world. The only person who can give it to you is you. Teachers can lead, suggest, as joke even browbeat, but they can't make you learn. That you do alone.—Bedford (Indiana) Daily Times-Mail.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO

In checking over our early day files of The Hamlin Herald we find the following items of interest taken from the issue dated November 2, 1928:

C. C. Johnson was recently appointed by the Commissioners Court as new farm agent for Jones County. Johnson was a guest of the Hamlin Rotary Club Wednesday.

Anson area and the south part of Jones County voters balloted on a refunding bond issue of \$750,000 which will be used to refund previously issued road bonds and to finance the construction of two new road projects in the south end of the county.

Members of the First Baptist Church will worship Sunday for the first time in their beautiful new \$75,000 church building at the corner of Southwest Avenue B and Second Street, according to the pastor, Rev. Henry Littleton.

Cotton gathering is in full swing in the Hamlin territory. More than 1,600 bales had been ginned by midweek at the four Hamlin gins.

TWENTY YEARS AGO

Among items of interest in the Hamlin community 20 years ago were the following, reprinted from the issue of The Hamlin Herald dated October 28, 1938:

Information is that Garland Tumlin, who has been seriously ill, stood the trip well to Atlanta, Georgia, the past week, and is doing nicely.

Rev. J. C. Holden of Seattle, Washington, will lead in a revival meeting at the Plasterco auditorium beginning Sunday.

Lois Agnew, night nurse at the Hamlin Hospital, has entered nurse training at the Robert B. Green Hospital in San Antonio.

The Stamford Bulldogs defeated the Hamlin Pled Pipers 34 to 0 in a football game played Friday night at Stamford.

Farrow Burns, who has been in the U. S. Navy for nearly two years, is enjoying a furlough here with his parents, Mr. and Mrs. Arthur Burns, and other relatives and friends.

Members of the Colonial Club were entertained Friday afternoon by Mrs. Paul Fowler. Attendees included Meses. Bob Low, Mac Brundage, Tom Williams, Elmer Teagan, Alford Harden, J. E. Moody and J. O. Jones.

TEN YEARS AGO

News items of interest in the Hamlin community 10 years ago included the following, reproduced from the issue of The Hamlin Herald dated October 29, 1948:

Hamlin Pled Pipers, who lost their first conference football tilt Friday night 19 to 6 to the Merkel Badgers, meet Snyder Friday on the Snyder field.

Interest in the forthcoming general election, scheduled Tuesday, November 7, is growing in the Hamlin section. Harry S. Truman and Thomas E. Dewey are candidates for president; from the Democratic and Republican parties, respectively.

Hamlin business houses will be closed generally on Armistice Day, Friday, November 11. A parade downtown is scheduled at 10:30 under sponsorship of the Veterans of Foreign Wars and American Legion.

FIVE YEARS AGO

Goings-on in the community five years ago included the following, as recorded in The Hamlin Herald dated October 30, 1953:

Rev. Houston Walker, pastor at Rule Baptist Church for more than five years, has accepted a call to pastorate of the First Baptist Church in Hamlin. He will occupy the pulpit Sunday.

Hamlin area cotton ginnings at mid-week hit 3,835 bales, according to tabulations made by The Herald Wednesday.

Another clean-up day has been set at Hamlin City Park for next Thursday under direction of the Hamlin Business and Professional Women's Club.

ONE YEAR AGO

The following news bits were taken from the issue of The Hamlin Herald dated October 31, 1957:

Plans for organization of a Hamlin Board of Community Development are shaping nicely. Another meeting of representative groups from civic and women's clubs is set for Tuesday.

George Batchelor has been named as new Scoutmaster for the Hamlin Troop 38.

Prizes for the best decorated store windows and homes for the Christmas season have been posted by the Hamlin Woman's Forum

Grain Producers Urged to Plan for Curbing Diseases

Grain producers of the Hamlin section and the rest of Texas lost an estimated \$15,471,000 because of plant diseases in 1958. Harlan Smith, extension plant pathologist, said rusts accounted for most of the losses, but that blights and smuts also were of considerable importance.

Wheat growers lost an estimated 6,410,945 bushels; oat producers 5,128,293 bushels; and barley losses due to diseases were estimated at 193,921 bushels. These losses, pointed out Smith, were also lost because the grains never entered the channels of trade. Too, market grades of the harvested crops were lowered due to the plant diseases.

Smith said disease losses were overlooked by many growers in 1958 because of the high total state production. Rusts became established in South Texas on oats during the early part of the growing season and increased fairly rapidly during late fall and winter. Cool weather during the spring season slowed the spread to the north. Light infections of wheat stripe rust developed in South and Central Texas and later reached epidemic proportions in

Jones County will represent 16 counties in the Central West Texas area at the state finals of the Texas Farm Bureau Queen contest November 10 at Corpus Christi. Numbers of Jones County people will attend the annual convention.

the major wheat areas of North-west Texas.

The plant pathologist suggested that small grain growers, by using a combination of seed treatment and crop rotation, could cut the losses. He also pointed out that some small grain varieties had resistance to the diseases and recommended that they be used in areas where adaptable.

Smith suggested a visit to the local county agent for more details on small grain diseases and possible control measures.

Lions Install Four New Members at Tuesday Session

Four of six new members recently accepted for membership in Hamlin Lions Club were initiated at the Tuesday luncheon meeting of the civic group at the oil mill guest house. The other two new members could not be present for the ceremony.

Initiated in a unique ritual by Acting President B. V. Newberry were Johnny Feagan, Rev. R. T. Jarrell, Rev. Gene Moore and Jerry Howard.

Sheriff Dave Reves of Jones County was the speaker for the day. He talked on "Problems of Peace Officers and How Laymen Can Help Solve Them." He explained that the cooperation of citizens generally is needed by all peace officers to properly enforce the law and convict criminals.

"Law enforcement is everybody's responsibility," Reves said. "Reporting crimes is not being a stool pigeon but is acting the part of a good citizen." He urged that his hearers report information to peace officers that will lead to better enforcement.

Resides present at the Tuesday luncheon included Joe Alspaugh of Hamlin, and D. W. Cowan.

Get rubber stamps at Herald.

Attendance at City Sunday Schools Hits Slump Again Sunday

Sunday School attendance at Hamlin churches slumped again Sunday. The 1,241 total was 134 less than the previous week, but was 60 more than a year ago.

Attendance, by churches, for October 26, October 19 and a year ago follows:

Churches—	Oct. 26	Oct. 19	1957
Ch. of Nazarene.....	86	95	78

President of Farm Bureau Unit Urges Citizens to Vote

"Vote for whom you please for governor in the coming general election, but please vote," C. E. Gregory, president of the Jones County Farm Bureau, urges all eligible voters in the county.

Reason our vote is important, he says, is because the number of votes cast for governor in the general election in your precinct determines the number of delegates your precinct will have to your party's county convention in 1960. In turn, it also determines how many delegates your county will be able to send to your party's state convention.

"It is in the interest of good government that the individual should participate in his political party's activities," Gregory said. "For, if the majority does not exercise its citizenship responsibilities, there is a real danger that a minority faction can take over the party machinery. And, if we are to keep our democratic form of government, the majority must always rule."

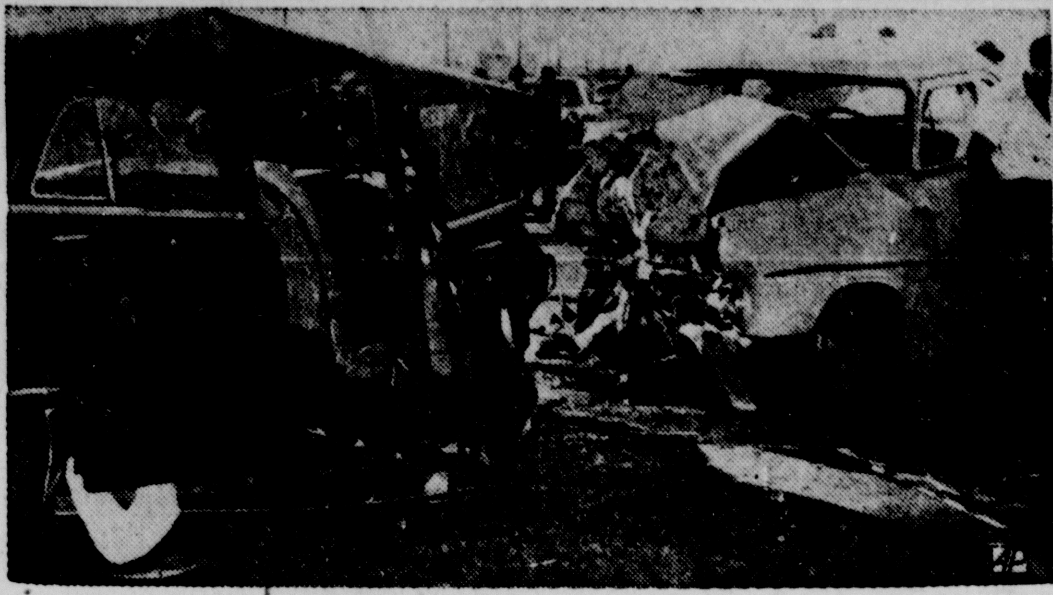

The Farm Bureau organization has been carrying on a good citizenship program on local, state and national levels this year. In addition to get-out-the-vote campaigns, the farm organization has made available to high schools high fidelity recordings of the national anthem and is sponsoring a nation-wide essay contest on the subject "How I Helped Elect Fighters for Freedom."

Bob Haynes Finishes Basic Training at Lackland Air Base

A release this week to The Herald from Lackland Air Force Base at San Antonio advises that Airman Bob J. Haynes, son of Robert E. Haynes of Hamlin, has recently completed his initial course of air force basic military training there. He has been selected to attend the technical training course for communication center specialists at Sheppard Air Force Base at Wichita Falls.

Airman Haynes is a graduate of Hamlin High School, and formerly was employed at the City Drug.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

HEAD-ON CRASH KILLS FOUR—Four persons were killed and two others injured when these two cars crashed head-on near Van Alstyne. Three of the dead were from Dallas and the other from Irving.

Gordon McLendon Named Chairman For Dimes March

Gordon McLendon has been named Texas state chairman for the 1959 March of Dimes, Basil O'Connor, president of the newly expanded National Foundation, announced this week.

"The March of Dimes has a bigger job than ever to accomplish," said McLendon in accepting the appointment. "We must continue to care for over 4,000 Texans already stricken by polio. New funds are needed to tackle additional major health problems, with arthritis and birth defects as initial new targets."

In research, O'Connor has previously announced, the revamped organization is extending its studies of virus diseases and disorders of the central nervous system, and is initiating an intensive search for preventive technique and improved treatment methods in arthritis and birth defects. It will also continue to support training of many professionals needed in the health field, he said.

McLendon, who is serving as state chairman for the second year, will lead 250 county chapters throughout the state in their efforts to raise sufficient funds for the new programs.

JUST FORGOT.

An absent-minded railroad worker called on his old friend, the family doctor. They chatted for a couple of hours. As the railroad man rose to go, the doctor asked, "The family's all well, I suppose?" "Good heavens!" exclaimed his visitor, "that reminds me. My wife's having a baby."

STUDENT KILLED—Beauford Jester, 19-year-old son of Mrs. Josh R. Morris Sr. of Texarkana and the late Governor Beauford Jester of Texas, was killed when struck by an automobile driven by a teen-age youth at Conway, Arkansas. Jester was a student at Hendrix College there.

Attendance Record Established at Texas State Fair This Year

A new national attendance record for annual fairs in this country was established by the 1958 State Fair of Texas, which closed Sunday, October 19. Attendees included scores of people from the Hamlin section.

The fair's total attendance for the 16-day run was 2,757,734, which far exceeded last year's total of 2,540,967 and easily pushed past the previous record of 2,672,253 set in 1956.

The fair had four days that exceeded a quarter of a million people in attendance. The biggest day was the middle Saturday, when 320,866 visited the fair grounds, and the middle Sunday with 300,307 attendance was the biggest day the fair has ever had without a football game to bolster the crowds.

Tree Seedlings for Windbreaks to Be Available Soon

Hamlin area farmers and ranchers are interested in the announcement from College Station that some 9,000 tree seedlings will be available to West Texas land owners for windbreak plantings in early 1959. Don Young, head of the forest management department of the Texas Forest Service, announces in a release to The Herald.

"The supply for next year's plantings is limited, so those desiring seedlings should get their applications in early," Young said.

Application blanks for ordering the trees are now available upon request from the Director, Texas Forest Service, College Station. In addition, these order forms can be secured from county agents, Soil Conservation Districts and ASC offices in the West Texas area.

About 50,000 red cedar, 25,000 ponderosa pine and 15,000 Austrian pine seedlings will be procured for distribution by the Texas Forest Service and will be sold for \$1.25 per 100 prepaid.

Land owners in critical areas should establish farmstead or field windbreaks to prevent wind erosion of their valuable top soil," Young reported.

Deadline for ordering seedlings will be March 1, 1959. Seedlings will be shipped about the first week of March, 1959, to locations specified on the application blanks. Information on how to store and plant the seedlings is available upon request.

"The orders will be filled on a first come, first served basis," Young added.

It's remarkable that five-cent candy bars are still five cents, even though they have undergone drastic surgery in recent inflationary years.

AMENDMENTS

(concluded from page one)
recreational and other resources of Texas.

No. 8—Gives the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of old age assistance, aid to the blind, aid to dependent children or aid to the permanently and totally disabled; providing for the acceptance of funds from the federal government for the purpose of paying such assistance.

No. 9—Authorizes the Legislature to create a hospital district coextensive with the incorporated limits to the City of Amarillo, Texas, and a county-wide hospital district in Wichita County, Texas, an hospital districts in Jefferson County, Texas.

County People to Go To Farm Bureau Meet

Silver anniversary convention of the state's largest general farm organization, the Texas Farm Bureau, will be held at Corpus Christi November 9 to 12.

More than 1,500 members and their families, including almost 800 official voting delegates from 196 organized counties, are expected to attend the twenty-fifth annual meeting of the rapidly growing state Farm Bureau. Jones County's delegation will be headed by C. E. Gregory, county FB president.

BRA Reaffirms Plan To Buy Storage Space

Board of directors of the Brazos River Authority has voted to reaffirm its standing policy of buying conservation storage space in flood control reservoirs built by the U. S. Corps of Engineers—whenever such a move is economically sound.

This action enables the Army engineers to include maximum conservation benefits in projects now in the planning stage.

Xi Gamma Phi Group to Cooperate in Operation of Book-Mobile in County

Members of Xi Gamma Phi chapter met last Thursday in the home of Mrs. W. T. Johnson, refreshments of cake and coffee were served to the following members as they arrived: Mmes. E. N. Jenkins, W. T. Johnson, G. L. Smith, M. L. Smith, J. O. Ball, and E. N. Griggs, E. J. Hawley.

E. N. Jenkins to be Speaker at P-TA

Next regular meeting of the Hamlin Parent-Teacher Association will be next Thursday, November 6, at 3:45 o'clock p. m. in the Primary School cafeteria, P-TA officials announce.

Theme of the meeting will be "American Education: Why?" Invocation will be the parent-teacher prayer.

Entertainment features will be provided by pupils of the second grades. Thought of the month will be offered by Mrs. L. A. Joiner. Speaker will be Mrs. E. N. Jenkins.

John C. Bryant, Arlie Cassle, Jerry Waggoner and the hostess.

Mrs. Cassle gave an interesting program on "The Sense of Hearing." She told the group how we hear and what we hear.

A report was given about the book-mobile for Jones County, and the group voted to support the project. It is to be operated in Jones County free for one year.

It will make the various communities of the county every two weeks. The club also will investigate sending food to needy families of the area for Thanksgiving. It was decided in business session.

The Xi Gamma Phi chapter members will be guests of the Alpha Theta chapter at the pledge dinner on November 15 in the Primary School cafeteria.

Next meeting of the chapter will be November 13 in the home of Mrs. W. T. Johnson, and Mrs. George Poe will have the program. The pledge service for new members will be at this time also.

DePriest Has 32 Girls Taking Homemaking

Thirty-two girls are enrolled in the homemaking department at DePriest Colored School, according to Mrs. E. F. Ford, instructor. Sixteen girls are in HE I of the ninth grade; seven are enrolled in HE II from the tenth grade; seven in HE II from the eleventh grade and two from the twelfth.

The homemaking department has been given small kitchen equipment, which furnishes the two-unit kitchen with adequate facilities for each kitchen.

The department has been approved by the state as a full-time vocational unit operating on a 10-month basis, school officials report.

For decades newspaper circulation has kept pace with the increasing number of U. S. households. Since 1920 the number of U. S. households has more than doubled, and newspaper circulation also has more than doubled.

Some units of Texas National Guard can trace their beginnings back to the defenders of the Alamo.

New Officers Named For Kings Daughters Sunday School Class

Officers for the ensuing year for the Kings Daughters Sunday School Class of the First Methodist Church were announced recently. They are: Mrs. R. G. Boyd, president; Mrs. Ira Parker, vice president; Mrs. C. D. Jones, secretary-treasurer; Mrs. Elmer Hawkins, assistant secretary-treasurer; Mrs. Tarlton Willingham, teacher; Mrs. E. M. Wilson, assistant teacher; Mrs. A. A. Hackley, pianist; Mrs. T. T. Brady, assistant pianist; Mrs. Earl Brown, song leader; Mrs. R. H. McCurdy, assistant song leader.

Chairman for each month of the ensuing year were named as follows: Mrs. L. B. Williams, October; Mrs. J. B. Terrell, November; Pearl Hudson, December; Mrs. V. V. Anderson, January; Mrs. Tom Teague, February; Mrs. Frank Hillier, March; Mrs. Clarence Hyer, April; Mrs. W. B. Cotten, May; Lulan Vaughan, June; Mrs. W. H. Parker, July; Mrs. E. K. Whittenburg, August; Mrs. T. C. Gabriel, September.

Gift committee for the class is composed of Mrs. Perry Sparks, Mrs. C. F. Cook and Miss James.

B&PW Club Attend Rotary Meet

The members of the Business and Professional Women's Club were invited to attend the weekly meeting of the Hamlin Rotary Club last Wednesday to hear Representative Truett Latimer of Abilene outline and explain the nine proposed amendments to the constitution of Texas, to be voted on in the November 4 general election.

B&PW Club members present were Mildred Young, Mrs. Janet Harrison, Mrs. Melvin Scott, Mrs. Kenneth Riddle, Mrs. W. L. Hunter Jr., Mrs. A. A. Hackley, Mrs. E. M. Wilson, Mrs. Ed Bailey, Maggie Seymore and Mrs. John Howard Jr.

Hennington-Carlisle Engagement Told

Mr. and Mrs. R. B. Hennington of McCaulley are announcing the engagement and approaching marriage of their daughter, Carol Marie, to Robert Newport Carlisle, son of Mr. and Mrs. Robert Carlisle of Montevideo, Uruguay, South America.

The wedding will be on Thursday, November 27, at 6:30 p. m. in the First Baptist Church at McCaulley.

Both Miss Hennington and her fiancé are students at Hardin-Simmons University at Abilene.

Practically every sale of every product manufactured in the United States will be purchased by one of the 100,000,000 people who read a newspaper on an average day.

At the turn of the century, on an average day, 15,000,000 newspapers were purchased. Today 58,000,000 newspapers are purchased on an average day.

Methodist Women In Monday Gathering

Members of the Woman's Society of Christian Service of the First Methodist Church met Monday afternoon with Mrs. J. B. Smallwood.

Mrs. C. F. Cook presided over the business session and read a little from Ann Ricey thanking the group for the youth membership pin presented her by the women.

Mrs. Buren Carlton read the scripture and presented the program on "Eternal Vigilance Is the Price of Liberty."

Refreshments were served by Mrs. Smallwood to nine members present for the meeting.

Despite increased competition for people's time, newspaper circulation in the United States has reached a new all-time high of 58,000,000 newspapers purchased daily. With Canada added, the figure is over 61,000,000 newspapers purchased daily.

New Decorations and Accessories for Season to Emphasize Women's Legs

All eyes will be on legs this year, declares Vivian Brown, AP Newsfeatures beauty editor, in a release to The Herald. She continues: Fashionable girls should keep shorter dresses in mind when assembling their wardrobe of leg accessories.

And it will be a wardrobe, judging by the number of leg ornaments that have made their appearance. There are dazzling garters of real rubies and diamonds at \$1,200 a leg or less spectacular garters of seed pearls and silver bells. Colored hosiery is handsomely decorated with clocks that run halfway up the back of the stocking, hand-painted bees that swarm to the knees, and sprays of roses decorate instep or ankle. There are stockings decorated with rhinestones and some with jet beads.

Grooming products run the gamut of important accessories for winter legs. Leg lotions and creams in squeeze bottles are designed especially for heels that must be sleek beneath sheer stockings. Electric razors in princess pink or blue hues are attractive enough to exhibit on the vanity table, and leg make-up is back again to be worn under stockings to give legs a mat finish or to smooth legs that are discolored or scarred by prominent veins. Other items that must be kept on the grooming shelf are pumice and stiff brushes for removing callous and bunions. If you'd pretty your knees and the backs of your heels, rouge is said to be the answer.

A variety of garters, and spats are other ways girls call attention to their legs this season.

Pied Pipers Go To Seymour For Second Loop Tilt Friday

Andrews Squad Enters Fray with Game Advantage

After a week of sitting on the bench while the other four teams of District 6-AA were having two conference frays, the Hamlin Pied Pipers go into action again Friday night against the Seymour Panthers, last year's district champions. The tilt will be played at Seymour.

Charges of Coaches D. C. Andrews and Jimmy Vaughn will be in good shape for the fracas. Several of the stellar performers had been nursing minor injuries, and the regular line-up will be on tap Friday night, it is indicated.

The Pied Pipers enter the melee with a better season record than the Panthers. Seymour has won two of seven games played, winning from Monday 39 to 6 and over Childress 43 to 18. They have lost 18 to 20 to Crowley, 0 to 16 to Olney, 6 to 25 to Electra, 15 to 22 to Anson and 14 to 30 to Haskell.

Hamlin has won four of seven games this season. The Pipers defeated Eastland 20 to 14, Merkel 24 to 14, Rotan 32 to 8, and Childress 26 to 12. They lost 18 to 28 to Spur, 0 to 8 to Winters, and 0 to 6 to Haskell.

A big delegation of fans is expected to follow the Pied Pipers to Seymour Friday night, including

Afghanistan is approximately the same size as the state of Texas.

ing the 70-member girls' Pep Squad and the 60-piece Pied Piper Band. The band, under direction of Mac Fullerton, and the Pep Squad, under direction of Dora Mitchell, have been practicing new maneuvers that will be staged between halves in the game.

School officials announce that no advance sale of tickets is being conducted, as no reserved seats are available at Seymour—first arrivals get their choice of seats.

B Squad Gridders Blank Anson 56-0 In Thursday Tilt

Hamlin High School's B grid squad went wild last Thursday night and swamped the B crew from Anson High School to the tune of 56 to 0.

Anson kicked to Hamlin and before one minute had passed Hamlin's quarterback, Mike Bond, made a touchdown. McCanlies made the extra point.

Hamlin kicked to Anson, but soon took the ball on downs. Mike Bond again ran over a marker, and Sam Hodges made the extra point.

Anson scored early in the second quarter, but the extra point try failed.

Again Hamlin Bs ran the ball over for the third touchdown, and the extra point was good.

In the third quarter Ford took a long pass from Bond and ran the ball to the 10-yard spot. McCanlies made the touchdown, and the extra point was made by Rangel.

Late in the third period McCanlies took a pass from Austin and ran 50 yards for the fifth Hamlin score.

Early in the fourth quarter Dwight Griggs ran 45 yards for a Hamlin touchdown. Dave Bellamy made the extra point.

With one minute left in the game Dwight Griggs made the last Hamlin touchdown. Extra point was good to make the score Hamlin 56, Anson 6—Jerry Warren.

A certain species of ant cultivates grass around its hill, harvests the seeds and stores them away for food.

Junior High Crew Holds Albany to 8-8 Tie Tuesday

Coach Harry Martin's Junior High School team rose to the occasion in playing the Albany Cubs to an 8 to 8 tie here last Tuesday night. In the previous game between the same teams Albany who easily by a 44 to 0 score.

Hamlin's Mighty Mice threw up a fine defense to pretty well halt the Albany ground game. Albany scored in the second quarter to take a half-time 8 to 0 lead.

Hamlin came back to tie the game up in the fourth quarter. The Hamlin score was set up on a punt return of 20 yards to the Albany 20-yard line by Mike Martin. A pass from Van Newberry to Raymond Renfro moved the ball to the Albany 10. Dan Newberry plunged through the center of the line for the six points. Van Newberry slid off the right side for the tying two points.

Hamlin had the ball on its own 30-yard line at the end of the game after stopping Albany at the Hamlin 20.

The Hamlin line of Woolf, Shelburne, Payne, Weaver, Moore, Stephens, Kelly, Brown, Chandler and Smith played smart, aggressive football in stopping the big Albany backs. Van Newberry did very well in passing from a spread formation to Raymond Renfro, Danny Niedeecken and Larry Blackwell. Dan Newberry was the outstanding defensive player in the game from his line-backer position.

Seymour tallied its touchdowns in the fourth period. Billy Carlock went over for the first touchdown and also ran over the two extra points. Eldon Welch passed to Travis Calrk for the second Panther marker.

Haskell made 18 first downs to 10 for Seymour. The Indians racked up 325 yards on the ground to 123 yards for Seymour, and the Indians connected with four of 12 passes for 78 yards while the Panthers made 49 yards on four of 13 pass completions.

Don Davis led the blistering Stamford Bulldogs attack against the Anson Tigers Friday night at

the county seat, which the Bulldogs won 50 to 0. He tallied four touchdowns while Tab Bunkley, Charlie Helmer and Mark Hinson added their markers. Davis added two extra points, Helmer ran two more, Upshaw passed to Duane Lindsey for two and Lindsey kicked another to round out the Bulldog scoring.

The Bulldogs were held scoreless in the first period. Anson made six first downs to 20 for the visitors. The Bulldogs racked up 362 yards gained on the ground to 23 for the Tigers, and made 134 yards by completing five of 10 aeriels, while Anson made 38 yards on three completions of nine pass tries.

Staking of a new project and plugging of another in the Hamlin territory constituted highlights of oil activity this week.

Cities Service Oil Company of Wichita Falls staked its No. 1-121 Flat Top as a new project eight miles northeast of Hamlin in the Stonewall County S. L. C. (Tanner) Field. Location spots 2,310 feet from the east lines of Section 121, B. B. & C. Railway Company Survey. Proposed depth is 2,600 feet with rotary equipment.

S. C. Herring Drilling Company of Abilene No. 1 Lula Pittard, wildcat 13 miles southeast of Hamlin in Section 53, Block 2, Southern Pacific Railway Company Survey, was plugged at 2,620 feet.

Results of Last Week's District 6-AA Games Indicate Strength of Teams

Strength of District 6-AA football teams pretty well shaped up in last week-end's games. Haskell defeated Seymour 30 to 14, and Stamford did the expected by soundly thumping the Anson Tigers 50 to 0.

Hamlin's Pied Pipers were taking their only breather of the season by resting out the week-end. They now have three conference games in a row.

Haskell's Indians reeled off two touchdowns in the first quarter Friday night at Haskell to prove their spunk to the Seymour Panthers, last year's district winners. Again in the third period the Reds pushed over two more markers to hold a 30 to 0 lead after three periods. Scoring the touchdowns were John Rike, John Anderson and Eugene Mullins (two). Anderson ran over the extra two points after the first marker, Mullins added the two points after the second, and Rike added the two points after the third on a Wolfe-to-Rike pass.

Seymour tallied its touchdowns in the fourth period. Billy Carlock went over for the first touchdown and also ran over the two extra points. Eldon Welch passed to Travis Calrk for the second Panther marker.

Haskell made 18 first downs to 10 for Seymour. The Indians racked up 325 yards on the ground to 123 yards for Seymour, and the Indians connected with four of 12 passes for 78 yards while the Panthers made 49 yards on four of 13 pass completions.

Don Davis led the blistering Stamford Bulldogs attack against the Anson Tigers Friday night at

the county seat, which the Bulldogs won 50 to 0. He tallied four touchdowns while Tab Bunkley, Charlie Helmer and Mark Hinson added their markers. Davis added two extra points, Helmer ran two more, Upshaw passed to Duane Lindsey for two and Lindsey kicked another to round out the Bulldog scoring.

The Bulldogs were held scoreless in the first period. Anson made six first downs to 20 for the visitors. The Bulldogs racked up 362 yards gained on the ground to 23 for the Tigers, and made 134 yards by completing five of 10 aeriels, while Anson made 38 yards on three completions of nine pass tries.

Junior High Gridders Host Anson Tuesday

Hamlin's Junior High School teams will play host to the Anson Cubs next Tuesday night in the last home game of the season. Anson won the first encounter at Anson by an 18 to 6 score.

Anson features a fine passing attack. Hamlin will be seeking to keep its record clean at home this year, having defeated Merkel, Haskell and tying Albany in previous home games.

Statement of Ownership, Management And Circulation of The Hamlin Herald

Statement required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (Title 39, United States Code, Section 233) showing the ownership, management and circulation of The Hamlin Herald, published weekly at Hamlin, Texas, for October 1, 1958.

1. The name and address of the publisher, editor, managing editor and business manager is Willard Jones, Hamlin, Texas.

2. The owner is Willard Jones, Hamlin, Texas.

3. The known bondholders, mortgages and other security holders owning or holding one per cent or more of total amount of bonds, mortgages or other securities are: Mrs. Rose Reader of Stephenville, Texas; F. & M. National Bank of Hamlin, Texas; First National Bank of Abilene, Texas.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as a trustee or in any other fiduciary relation the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief

as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was (this information is required from daily, weekly, semi-weekly and tri-weekly newspapers) 1,352. —Willard Jones, owner.

Sworn to and subscribed before me this 17th day of October, 1958. —May Gay, Notary Public. (My commission expires June 1, 1959).

Seventh Grade Unit Camp Fire Girls Tour Abilene Industries

Members of the seventh grade Camp Fire Girls group met September 26 at the Camp Fire hut for a mother-and-daughter tea. Two new leaders were elected, and games were played. Mrs. Grady Smith and Mrs. C. L. Howard are the new leaders.

On October 10 the girls met at the hut and new songs were learned. Officers for the coming year were elected as follows: Sue Johnson, president; Anna Adams, vice president; Judy Fitzgerald, secretary; and Ann Johnson, reporter.

On October 17 refreshments were served to the group, and plans were made for a visit to places of interest in Abilene on Saturday, October 25.

Eleven girls and two leaders left the Camp Fire hut at 9:00 o'clock Saturday, October 25, for a trip to Abilene. They visited the Spudnut Bakery, the Coca-Cola plant, Lankford's Garment Factory, and TV Station KRBC. The group then enjoyed lunch at the cafeteria in River Oaks shopping village. After that the girls went shopping.

Making the Abilene trip were Judy Fitzgerald, Sue Johnson, Kay McCoy, Lynn Ann Miller, Joyce Smith, Ann Johnson, Mary Fitzgerald, Lenora Brown, Teresa Josey, Anna Adams, Ginger Kidd and the sponsors, Mrs. C. L. Howard and Allen and Mrs. Grady Smith.

Father of Dr. Pattillo Dies Here Tuesday: Funeral at Liberty

R. L. Pattillo, 70-year-old retired groceryman and meat cutter of Liberty, died last Tuesday at the Hamlin home of his son, Dr. William A. Pattillo following a heart attack. He had suffered several attacks recently.

Born in Texarkana, Arkansas, he had moved with his family to Liberty many years ago. He was a deacon in the Baptist Church. The body was taken to Liberty last Tuesday, and funeral services were conducted Thursday at the First Baptist Church in Liberty. Dr. Pattillo and family attended the rites.

Survivors include the widow, Mrs. R. L. Pattillo; two sons, R. L. Pattillo Jr. of California and Dr. William A. Pattillo of

Newberry Attends Principals' Meeting

B. V. Newberry, principal of Hamlin High School, was in Houston last week to attend the annual conferences of the Secondary School Administrators and Principals Association. Outstanding educators of the country were on the four-day program.

Newberry witnessed the Texas University-Rice Institute football game Saturday night at Houston.

PREJUDICED.

Ideas are like children — no matter how much you admire someone else's, you can't help liking your own best.

Big Prizes Posted for Cattle at Stock Show

Prize money for various cattle classes at the 1959 Southwestern Exposition and Fat Stock Show will total more than \$57,000, W. A. King, superintendent of livestock, has announced from Fort Worth.

The seven breeds of beef breeding cattle are allotted a large share of the premium total. The awards for the breeds are: Herefords, \$13,800; Polled Herefords, \$5,000; Shorthorns, \$4,532; Aberdeen-Angus, \$10,000; Brahman, \$2,000; Santa Gertrudis, \$800; Brangus, \$2,000; and Red Angus, \$800.

Scores of Hamlin area people are scheduled to attend the exposition.

For most people, high ideals arrive late in life, after financial security or guilt complex.

Church of Christ Tabs Six Additions in Meet

Bid crowds attended all services of the series of gospel messages conducted last week at the Hamlin Church of Christ, reports Austin Siburt, minister of the church. Six additions to the church were reported during the meeting.

Evangelist for the series of services that began October 19 and closed Sunday night was Cleo Scott of Houston, former minister of the local church. Rodney Spaulding, Hamlin youth who is a ministerial student at Abilene Christian College, directed the singing.

MISSING LINK.

Historians tell us about the past and economists about the future. Thus only the present in confusing.

County Agents Go to A. & M. Conference

County Home Demonstration Agent Mary Newberry and County Agent Kirby Clayton are attending the annual extension agents' conference at Texas A. & M. College this week. At conferences the agents will be brought up-to-date on the latest extension teaching methods to be applied in the county extension program.

This conference is a requirement for all extension workers. They will return to their offices Monday.

Ken Ballew Named as Homecoming Leader

Ken Ballew, son of Mr. and Mrs. S. C. Ballew of Hamlin, is one of the officials named for the annual homecoming of Texas Technological College students. It is announced by Pat Booth of Dallas, homecoming chairman.

The homecoming is set for Saturday, November 22, and many Hamlin area ex-students are slated to attend the gathering.

Ken is in charge of arrangements for the unit luncheon for participants in the Pigskin Review.

Marvin Carlton Goes To Principals' Meet

Marvin Carlton, principal of the Hamlin Junior High School, was in Graham this week to attend a regional meeting of the Elementary Principals and Supervisors Association.

Among those appearing on the program was Dr. Lee Middleton, state assistant commissioner of education.

Carlton accompanied Principal Pete Lollar of Anson Ward School and E. M. Connell, county supervisor of Schools, also of Anson.

The best way to break a bad habit is to drop it.

The Herald has carbon paper.

Livestock on Slow Side at Fort Worth As Prices Waver in Face of Pressure

Slaughter classes of lambs were fully 50 cents to \$1 lower at Fort Worth Monday, declares Ted Gouldy, special market reporter for The Herald, in his weekly market summary. He continues: Feeders, older sheep and goats ruled steady. Weakness developed in the slaughter trade early as one of the major packers, with large numbers of directs received over the week-end, was not a factor in the trade. Up until now not a single sheep had been weighed to this national packer and its buyers were not making as vigorous effort to obtain any supplies even at the reduced levels on slaughter lambs.

Good to choice slaughter lambs sold from \$20 to \$21. Stocker and feeder lambs were reported from \$18 to \$21.50. Yearling wethers cashed at \$16 to \$19, and two-year-olds sold at \$15 down. Goats cashed at \$7 to \$8, and slaughter ewes sold from \$7.50 to \$8.

In the cattle yards cows were slow and steady to weak at Fort Worth Monday. Other grades and classes of cattle and calves were generally steady, with some spots stronger on stocker classes.

Good to choice slaughter steers and yearlings drew \$24 to \$26.25, a load of 1,004-pound steers at the latter figure. Medium and lower grades cashed at \$17 to \$23.75, two loads of fed heifers at \$23.75. Fat cows cleared at \$18.50 to

\$20, odd head higher, and canners and cutters sold from \$13 to \$18.50. Bulls brought \$18 to \$23.

Good and choice slaughter calves sold from \$24 to \$26.50, with plain and medium butcher sorts from \$18 to \$23.50, and culls around \$16 to \$18.

Medium and good stocker steer calves sold from \$27 to \$31.50, and medium to good heifer calves sold from \$24 to \$28. Medium to good stocker yearlings drew \$24 to \$27.

Hogs were 25 to 50 cents lower at Fort Worth. Choice hogs topped at \$19 to \$19.25, and medium to good hogs sold from \$17.50 to \$18.75. Sows sold mostly at \$17 to \$18, a few higher.

Freight Carloadings For Santa Fe Still Up

Freight carloadings for the Santa Fe Railway System for the week ending October 25, 1958, were 29,891 compared with 23,451 for the same week a year ago, reflecting a continuing increase. Cars received from connections totaled 12,669 compared with 12,109 for the same week in 1957.

Total cars moved were 42,560 compared with 35,660 for the same week a year ago. Santa Fe handled a total of 42,196 cars in the preceding week this year.

TELEPHONE TALK

W Club Active in Civic Projects

One of the most active civic clubs of the Hamlin community in recent years has been the Business and Professional Woman's Club. Not content with being a social organization, the group has completed many worthwhile community projects, helping to make the community a better one in which to live.

To mention a few of its accomplishments: The B&PW Club has sponsored the annual sale of Christmas TB Seals for several years, handling the tedious task of addressing, stuffing and mailing thousands of letters to prospective donors; it has for two seasons handled details of the downtown Christmas lighting project; it has sponsored equipping and cleaning up of Hamlin City Park; it has fostered a downtown office for the annual Hamlin High School homecoming.

We at Southwestern Bell Telephone Company want to salute such a worthy organization as the Hamlin Business and Professional Woman's Club. We are happy that a number of our employees are members of the club.

For Husbands Only

I suspect some wives will sneak a peek at this simply because it says, "For Husbands Only." But just this once I'd like to have a man-to-man talk with all husbands.

About this time of year—halfway between summer vacations and Christmas—things settle down and your wife is probably doing a bit of dreaming. Maybe it's that trip you've always planned to take, or a new house, or even a sports car.

Dreaming's fine, but it usually takes a lot of years to make a big dream come true. However, little dreams take less time. In fact, just a minute or two.

So here's my hint for husbands: Order an extension phone in color for the bedroom. I'll guarantee that it will perk up your wife's morale like a new hairdo or a new hat. Even better, it will make a hero out of you.

Just call the telephone business office today. A service representative will help you pick the right color.

It's Real Family Fun

Sunday is a real family day. Many of us have our families around us, and we spend the day going to church, relaxing, chatting, just doing things together.

However, some people have members of their families living away from home—either away at college or married sons or daughters living in another part of the country.

There's really no reason to leave them out of the happy Sunday get-togethers. Just pick up the telephone and make a long distance call. That way, Sunday is fun for everyone in the family.

Why not this Sunday? You'll surprise the "out-of-towners" and have a lot of fun on your end of the line, too.

Call by number. It's twice as fast.

NEW CHRYSLER '59

the lion-hearted car that's every inch a new adventure

In the

style that set the standard for an industry: Chrysler New Yorker 4-door Hardtop

The adventure starts the moment you see this lion-hearted Chrysler '59. From its regal new grille to its channelled roof to its gently rising fins, Chrysler keeps its beauty simple!

Let Chrysler's new Swivel Seat turn with you as you ease behind the wheel. Feel it lock securely into place. Measure Chrysler's new dimensions of leg, head and hip room. Look around you through tempered safety glass windows.

Judge the strength of the new Golden Lion engine. Feel how True-Level Torsion-Aire Ride calms the road. Set Chrysler's Auto-Pilot. This optional driver-assist holds and patrols your speed, lets you cruise with your foot off the accelerator.

See this lion-hearted Chrysler. Your Chrysler dealer has 15 new models in a wide price range.

LION-HEARTED CHRYSLER '59

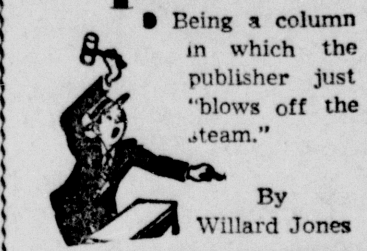

New Swivel Seat! Available in '59, this Chrysler exclusive turns in and out with you as you enter and leave the car. Combines convenience with comfort.

New Golden Lion Engine! Puts out more power, more torque per pound than any Chrysler engine in history. Choice of 305, 325 or 350 horsepower.

New True-Level Torsion-Aire Ride! An exclusive Chrysler extra that combines the comfort of air suspension with the control of torsion bars.

PREWITT MOTORS • SE Ave. A & 1st • Hamlin

CLIFF REYNOLDS JR. was checking up the other day with a fellow about some modern beautifier he had sold. "Well, Tim, did that mudpack I suggested improv your wife's appearance?" "It did for a couple of days," replied the customer, "but then it wore off."

THESE QUIRPS are some we just accumulated along the road of browsing through our exchanges and the like . . .

Today's lesson in etiquette: Don't try to make your guests feel at home. If they wanted to feel at home, they would have stayed there.

Women like to gossip because it gives them something to talk about while talking.

A modern girl's bathing suit is real cool because most of it is real gone.

The older generation thought nothing of getting up at 5:00 o'clock in the morning—and the younger generation doesn't think so much of it either.

A FARMER out in the Hamlin community came home recently with a new wife some 40 years his junior. Later he asked his eldest hired hand what he thought of her.

The old man shook his head slowly. "Well, she's a mighty wirty young lady, all right."

"Then what seems to be the trouble?" "Oh, there ain't no trouble, boss. It's just that I hate to see a man start out on a day's work so late in the afternoon."

SLIM CROW, popular grocer down the street, had the answer handy the other day for a customer of his . . .

"That's a stiff price for potatoes!" exclaimed a woman to the prune peddler.

"They're very rich in starch, madam," Slim replied.

YOU CAN'T TELL what a pretty young nurse up at the Hamlin Memorial Hospital is thinking about these days.

After a visit to an old friend in the hospital recently, we took the patient's lovely nurse aside and asked, "Give me the real low-down. Is he making any progress?"

"None at all," replied the nurse decisively. "He's not my type."

AN EXPLANATION of some of the more subtle meanings of the language used in official communications:

"You will show him every courtesy" means his uncle is a general.

"You will take necessary action" means it's your headache now.

"You will remember" means I have forgotten.

"For immediate action" means do something quick before we both get in trouble.

SHERIFF DAVE REVES of Anson was in town again first of the week. He had some nice things to say about folks of these parts who sit on juries in cases that come up in the courts at Anson in which he acts as bailiff or in other capacities.

"I'd hate to be guilty of a crime and take my chances of being acquitted by a jury composed of folks like you who are determined to see that the law is enforced and punishment meted out to the guilty. Jones County juries have the reputation of not only giving fair treatment to all being tried in our courts, but they also are not afraid to mete out punishment to those who have it coming to them.

"Such an attitude is good for the community—and even good for the guilty, because it makes them realize that crime doesn't pay, and that it is difficult to get by with crime."

Two-County Singing Set at Hamlin Church

Four-square Gospel Church, at the corner of Southwest Avenue D and Second Street, will be the site Sunday afternoon for the regular Jones and Fisher County singing.

The songfest will get underway at 2:00 o'clock, to which the public is invited.

HAPPY MOMENT—Yvonne Skinner, 21-year-old Lubbock miss, is shown after being crowned 1958 South Plains Maid of Cotton in Lubbock. Miss Skinner, also Miss Lubbock of 1958, won out over 13 other contestants and did it with a classic measurement of 34-23-35. The winner, a Texas Tech senior, will travel to Memphis for the nation Maid of Cotton contest.

J.C. Turner Jr. Heads Hospital Directors

Net worth of the plant of the Hamlin Memorial Hospital Association was set at \$131,722.67 in the annual report of the auditors for the organization, presented at the annual business meeting of the association recently. A fine financial report was given by the auditor, who noted that \$9,582.11 in indebtedness had been retired during the past year.

The association, organized in 1946 as a community project without any government or other aid.

Herald Plant Again Prints Election Ballots

Printing department of The Hamlin Herald this week wound up the production of about 100,000 general election ballots for nearly 40 West Texas counties.

The ballots, size 11x28 inches, were printed, numbered and perforated at one operation on the automatic Miehle press in the Herald's shop, a type of press not common in most of the smaller printing shops.

Outline of Proposed Constitutional Amendments Presented for Voters

Proposed amendments to the state constitution are regarded as the most interesting feature of the general election ballot, to be cast next Tuesday by voters of the Lone Star State.

The Herald below gives a brief digest of the nine different amendments in the order in which they appear on the ballot. Voters are urged to study the amendments before going to the polls to cast their ballots.

No. 1—Provides for annual sessions of the Legislature, changing the compensation, per diem and travel expenses of members of the Legislature and authorizing temporary residence of the lieutenant governor and speaker of the House in the capitol building.

No. 2—Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct.

No. 3—Provides that vacancies in the office of county judge and

has become one of Central West Texas' finest hospitals. It is being operated by three Hamlin physicians and surgeons under a 15-year lease from the association. Twelve years of the lease remain under contract.

More than 400 stockholders living in the Hamlin region and elsewhere are owners of stock, which was sold without thought of any profit ever. Only a very small percentage of those stockholders attended the annual meeting—a fact disappointing to the directors, Secretary J. E. Patterson said.

At the business session Fred Smith was elected as a new director to replace W. L. Fletcher Jr., who moved last year to Abilene. Other directors are Raleigh Reynolds, F. W. Poe, C. E. Gregory, J. C. Turner Jr., J. E. Patterson, M. S. Johnson, Ralph Riddle and Alton Mayfield.

Following the stockholders' general session, the directors met and elected the following officers: J. C. Turner Jr., president; C. E. Gregory, vice president; and J. E. Patterson, secretary.

Justices of the peace shall be filled by the Commissioners Court only until the next general election.

No. 4—Provides that any district, county or precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one year of the term for which he was elected.

No. 5—Provides that a home rule city may provide by charter provision, and a city operating under the general laws may provide by majority vote, for a longer term of office than two years for its officers, either elective or appointive, or both not to exceed four years.

No. 6—Provides for pension to retired Texas Rangers who are ineligible to participate in the employees retirement system of Texas and their widows.

No. 7—Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational,

Cartoon Series in Herald to Feature Home Patronage

The Hamlin Herald is this week beginning a series of editorial and institutional cartoons that pertain to the various types of businesses that are in Hamlin. They show usually in a humorous way, the advantages and the importance of buying in Hamlin with local merchants.

Your money means more to you when you spend it here in Hamlin. Let's reflect on this for a moment or two . . .

Local merchants and their employees are really your fellow citizens, your neighbors and your friends. They stand behind their counters, on their display room floors always ready and anxious to stand behind the merchandise that is sold. That is why great care is taken when they do then buying for your buying pleasure. Remember, the more you buy in Hamlin, the better our merchants can serve you.

Prices are usually the same, if not lower, especially in these days of "fair trade" items. The delivery is much quicker, the service is certainly better, and it is far less trouble all around.

Another reason—and probably the most important reason why you should buy in Hamlin—money spent locally helps meet local payrolls, helps pay local taxes, helps local schools, churches, the fire department, police department, improves sanitary services and what-have-you.

Your money works its way directly into the life-blood of the community and works directly or indirectly for the good of all who live in the community.

Boost Hamlin with Your Home Town Paper!

Omar Burleson Has Perfect Voting Record in Last Congress

A review of the record of the eighty-fifth Congress, which adjourned in August, shows Congressman Omar Burleson of Anson, 17th District of Texas, to be one of 22 members of the House with a perfect 100 per cent record on roll calls, according to a release to The Herald from Washington.

There were 193 roll calls during the first and second sessions of the Congress, and Burleson was present in every instance, and is on the record with a "yea" or "nay" vote.

The average of the 435 members of the House is 87 per cent of the roll calls.

Of the 22 with perfect voting participation records, four are Texans. Besides Burleson those are Beckworth, Brooks and Ruth-erford.

Interest Grows in General Election Voting Tuesday

POLICE ROUT BARRICADED MAN—While fellow officers cover them, a policeman and detective, armed with tear gas bombs, race toward a house in the Oak Cliff section of Dallas where a man had barricaded himself and threatened to shoot anyone who came near. The man, identified as Leonard O. Cooper, 37, was flushed from the house by the tear gas and was taken into custody.

Amendments Are Chief Concern of Voters in County

Increasing interest is being manifested this week by voters of the Hamlin territory in the forthcoming general election set next Tuesday, according to spot checks by a Herald representative.

While considerably less votes than the 3,378 ballots cast in the first Democratic primary election in July will probably be cast in Tuesday's voting, more than the usual number voting in general elections is expected to go to the polls.

Chief items of interest on the long five-column ballot will be the nine proposed amendments to the state constitution. Approved by the last session of the Texas Legislature, the amendments must be approved by a majority of the voters before they become law.

A thumb-nail discussion of the amendments will be found in another column of today's Herald.

Hamlin voters will cast their ballots as follows: East Side voters will ballot at the city hall under the supervision of Tom Routh; West Side voters will do their balloting at the high school gymnasium under the supervision of Mrs. Brad Rowland.

Baptist Pastors to Go To State Convention

Rev. Calvin Bailey, pastor of the First Baptist Church, and Rev. Woodrow McHugh, pastor of the North Central Avenue Baptist Church, will be among leaders of the area who will attend annual session of the seventy-third Baptist General Convention of Texas next week at San Antonio.

Experts in the fields of education and economics head a long list of prominent speakers.

C. G. Green Mending Following Surgery

C. G. Green, former superintendent of Hamlin Schools, long time Rotarian and resident of the community, underwent major surgery Monday in a Dallas hospital. He is reported doing fairly well at mid-week. Mrs. Green is with him.

His address is Room 1716, Medical Arts Building, Dallas, Texas, in case people of the community wish to write him.

Who's New This Week

Mr. and Mrs. Weldon R. Townsend of Abilene are announcing the birth on October 25 of a new daughter at Hendrick Memorial Hospital. The little miss has been named Melissa Ann. Paternal grandparents are Mr. and Mrs. W. R. Townsend, and maternal grandparents are Mr. and Mrs. Alton Mayfield, all of Hamlin.

Four new citizens are reported by the Hamlin Memorial Hospital since last week's report in The Herald. One girl and three boys, they are:

A girl for Mr. and Mrs. C. W. Willingham arrived October 20. The seven-pound 12-ounce lady has been named Lisa Kay.

A boy was born to Mr. and Mrs. Burl Jamerson of Aspermont on October 22. Lightweight of the new-borns at five pounds 10 ounces, he has been labeled as Thomas Dean.

A boy for Mr. and Mrs. Leo Larkin was born October 23. Tipping the scales at seven pounds 15 ounces, he will answer to Leo Carl.

A boy arrived for Mr. and Mrs. Jesse Mendoza on October 24. No name had been assigned to the youngster at press time, who balanced the scales at seven pounds six ounces at birth.

Better Mail Service Assured By New Mail Truck Contract

Methodist Youths To Solicit Funds For CROP Sunday

Instead of asking for something for themselves for a Halloween "trick or treat" the Methodist Youth Fellowship of the First Methodist Church will be asking people of the Hamlin community to share with those in need overseas through CROP, the Christian Rural Overseas Program.

The youth group will meet Sunday afternoon at 2:00 o'clock at the church and will start ringing doorbells shortly thereafter for contributions to CROP. Each person taking contributions will be wearing an official CROP identification tag. The money given will help to distribute government surplus foods.

Last year the young people in 223 communities in Texas collected \$49,058 for CROP. Every dollar contributed sent 300 pounds of food.

The Hamlin youth group will be working under the direction of Rev. Edmund W. Robb, pastor; Ronny Parker, youth worker; and Gene Murff, MYF president.

J. C. TURNER JR., Hamlin attorney, was elected president of the board of directors of the Hamlin Memorial Hospital Association at the annual business session of the group October 19. He succeeds C. E. Gregory of Neidra community, who became vice president, J. E. Patterson was reelected secretary-treasurer of the association.

First commercial advertising was done orally or with pictures because writing had not yet been developed.

Later Departure From Abilene to Speed Delivery

Better mail service for Hamlin and community is expected to result from the change in manner of daily delivery and pick-up of mail to and from the region, effective November 1, according to Perry F. Sparks, Hamlin postmaster.

New contract was awarded to C. C. Westfall of Fort Worth last Wednesday by regional post office officials at Fort Worth that will take mail handling from the Santa Fe Railway that has handled the incoming and outgoing mail for more than 50 years at Hamlin.

Formerly mail was assembled at Sweetwater and brought up to Hamlin by train. Likewise it was dispatched by train and disseminated at Sweetwater.

Beginning November 1 trucks of Westfall will leave Abilene no earlier than 2:45 a. m. (time of arrival of the west-bound Texas & Pacific train from Fort Worth and the East) and not later than 6:00 a. m., for Hawley, Anson, Hamlin, Aspermont, Swenson, Peacock, Girard and Spur and return.

Carl Greenway, who now holds contract of a routing to and from Anson will continue to make the run as well as an additional run to Stamford and return and Aspermont and return. Mail posted by 3:00 p. m. will be taken by Greenway to Anson, where connections are made for air mail terminals that evening. Letters will arrive in New York, for example, by 7:00 a. m. the next day and that afternoon in London.

All mail will be closed 6:00 p. m. instead of the present 6:30 closing time, Sparks announces.

Lions Club Nets \$150 From Sale of Brooms

Hamlin Lions Club realized a net profit of \$150.56 on the sale last week of brooms and mops made by the blind, according to Ed Croan, chairman of the sales crews when canvassed the residential and business sections of the city. Proceeds will be used for projects with youngsters with deficient eyesight in the Hamlin community.

The brooms and other articles are made by workers at the Fort Worth Lighthouse for the Blind.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO

In checking over our early day files of The Hamlin Herald we find the following items of interest taken from the issue dated November 2, 1928:

C. C. Johnson was recently appointed by the Commissioners Court as new farm agent for Jones County. Johnson was a guest of the Hamlin Rotary Club Wednesday.

Anson area and the south part of Jones County voters balloted on a refunding bond issue of \$750,000 which will be used to refund previously issued road bonds and to finance the construction of two new road projects in the south end of the county.

Members of the First Baptist Church will worship Sunday for the first time in their beautiful new \$75,000 church building at the corner of Southwest Avenue B and Second Street, according to the pastor, Rev. Henry Littleton.

Cotton gathering is in full swing in the Hamlin territory. More than 1,600 bales had been ginned by midweek at the four Hamlin gins.

TWENTY YEARS AGO

Among items of interest in the Hamlin community 20 years ago were the following, reprinted from the issue of The Hamlin Herald dated October 28, 1938:

Information is that Garland Tumlin, who has been seriously ill, stood the trip well to Atlanta, Georgia, the past week, and is doing nicely.

Rev. J. C. Holden of Seattle, Washington, will lead in a revival meeting at the Plasterco auditorium beginning Sunday.

Lois Agnew, night nurse at the Hamlin Hospital, has entered nurse training at the Robert B. Green Hospital in San Antonio.

The Stamford Bulldogs defeated the Hamlin Pied Pipers 34 to 0 in a football game played Friday night at Stamford.

Farrow Burns, who has been in the U. S. Navy for nearly two years, is enjoying a furlough here with his parents, Mr. and Mrs. Arthur Burns, and other relatives and friends.

Members of the Colonial Club were entertained Friday afternoon by Mrs. Paul Fowler. Attendees included Meses. Bob Low, Mar Brundage, Tom Williams, Elmer Teagan, Alford Harden, J. E. Moody and J. O. Jones.

TEN YEARS AGO

News items of interest in the Hamlin community 10 years ago included the following, reproduced from the issue of The Hamlin Herald dated October 29, 1948:

Hamlin Pied Pipers, who lost their first conference football tilt Friday night 19 to 6 to the Merkel Badgers, meet Snyder Friday on the Snyder field.

Interest in the forthcoming general election, scheduled Tuesday, November 7, is growing in the Hamlin section. Harry S. Truman and Thomas E. Dewey are candidates for president; from the Democratic and Republican parties, respectively.

Hamlin business houses will be closed generally on Armistice Day, Friday, November 11. A parade downtown is scheduled at 10:30 under sponsorship of the Veterans of Foreign Wars and American Legion.

FIVE YEARS AGO

Goings-on in the community five years ago included the following, as recorded in The Hamlin Herald dated October 30, 1953:

Rev. Houston Walker, pastor at Rule Baptist Church for more than five years, has accepted a call to pastorate of the First Baptist Church in Hamlin. He will occupy the pulpit Sunday.

Hamlin area cotton ginnings at mid-week hit 3,835 bales, according to tabulations made by The Herald Wednesday.

Another clean-up day has been set at Hamlin City Park for next Thursday under direction of the Hamlin Business and Professional Women's Club.

ONE YEAR AGO

The following news bits were taken from the issue of The Hamlin Herald dated October 31, 1957:

Plans for organization of a Hamlin Board of Community Development are shaping nicely. Another meeting of representative groups from civic and women's clubs is set for Tuesday.

George Batchelor has been named as new Scoutmaster for the Hamlin Troop 38.

Prizes for the best decorated store windows and homes for the Christmas season have been posted by the Hamlin Woman's Forum

Grain Producers Urged to Plan for Curbing Diseases

Grain producers of the Hamlin section and the rest of Texas lost an estimated \$15,471,000 because of plant diseases in 1958. Harlan Smith, extension plant pathologist, said rusts accounted for most of the losses, but that blights and smuts also were of considerable importance.

Wheat growers lost an estimated 6,410,945 bushels; oat producers 5,138,293 bushels; and barley losses due to diseases were estimated at 193,921 bushels. These losses, pointed out Smith, were also lost because the grains never entered the channels of trade. Too, market grades of the harvested crops were lowered due to the plant diseases.

Smith said disease losses were overlooked by many growers in 1958 because of the high total state production. Rusts became established in South Texas on oats during the early part of the growing season and increased fairly rapidly during late fall and winter. Cool weather during the spring season slowed the spread to the north. Light infections of wheat stripe rust developed in South and Central Texas and later reached epidemic proportions in

the major wheat areas of Northwest Texas. The plant pathologist suggested that small grain growers, by using a combination of seed treatment and crop rotation, could cut the losses. He also pointed out that some small grain varieties had resistance to the diseases and recommended that they be used in areas where adaptable. Smith suggested a visit by the local county agent for more details on small grain diseases and possible control measures.

the major wheat areas of Northwest Texas.

Smith suggested a visit by the local county agent for more details on small grain diseases and possible control measures.

Members Install Four New Members at Tuesday Session

Four of six new members recently accepted for membership in Hamlin churches were initiated at the Tuesday luncheon meeting of the civic group at the oil mill guest house. The other two new members could not be present for the ceremony.

Initiated in a unique ritual by Acting President B. V. Newberry were Johnny Feagan, Rev. R. T. Jarrell, Rev. Gene Moore and Jerry Howard.

Sheriff Dave Reves of Jones County was the speaker for the day. He talked on "Problems of Peace Officers and How Laymen Can Help Solve Them." He explained that the cooperation of citizens generally is needed by all peace officers to properly enforce the law and convict criminals.

"Law enforcement is everybody's responsibility," Reves said. "Reporting crimes is not being a stool pigeon but is acting the part of a good citizen." He urged that his hearers report information to peace officers that will lead to better enforcement.

Besides the luncheon included Joe Alsbaugh of the Hamlin section, and D. W. Cowan.

Get rubber stamps at Herald.

Attendance at City Sunday Schools Hits Slump Again Sunday

Sunday School attendance at Hamlin churches slumped again Sunday. The 1,241 total was 134 less than the previous week, but was 60 more than a year ago.

Attendance, by churches, for October 26, October 19 and a year ago follows:

Churches—	Oct. 26	Oct. 19	Year Ago

MOST TRANSACTIONS OF TODAY USE CHECKS

Competing with the United States mint in the production of paper money, approximately \$2,000,000 Americans are now issuing currency of their own. This private money appears in the form of the check, that little slip of paper so vital to our personal and national economies.

Experts tell us that about 90 per cent of all financial transactions in the United States are handled by check, and that the dollar value of checks written by Americans in 1957 exceeded three trillion dollars.

Three are approximately \$107,000,000,000 of "checkbook currency" in circulation these days, and only around \$28,000,000,000 of the government's coins and bills.

There is still another kind of money without which our economy would slow down. This, oddly enough, is a non-existent currency. It is known as "float money," and averages around a billion dollars at any time. It exists

because we frequently write checks against deposits of ours which are still in transit. Thus, we mail our paycheck to the bank and, before it gets there, write a check to the grocer. He sends this check to his bank but, before it arrives there, gives one of his suppliers a check against that. And so it goes.

Your bank won't appreciate it, but you are perfectly free to use just about anything you like as a check. So long as you show all the pertinent information, a check can be written on stone, metal or any other reasonably permanent material. And, despite what you have been told, a rubber check, even if it bounces, is good. A wag once wrote such a check on a rubber ball, bounced it into his bank, and had it cashed. The transaction did not make him very popular with the staff of the bank, and we do not recommend this to you if you are interested in making friends in the banking profession.

Big Risks Are Not New

The United States must continue not only to pioneer in the American tradition, but on a scale grander than ever before if she is to fulfill her potential as a nation. And we must take the "big risk" whenever a likely opportunity presents itself.

That is the gist of an article appearing in a recent issue of the American Petroleum Institute Quarterly, written by the top officer of a major steel company. As he sees the situation, "There are big risks to be taken in every phase of psychology, sociology and government, in every phase of engineering and the physical sciences, in every area of business and industry." He lays stress on the urgent need to develop "a basic research structure that will dwarf anything the world has ever seen."

Big risks, of course, are not new in this country, and the author cites two examples from American industry. The first of these involves drilling for oil in the Gulf of Mexico. The second is the venture undertaken by mining and steel companies to extract commercial quantities of iron ore from an extremely hard rock called taconite. To date nearly \$3,000,000,000 already have been invested in these two giant efforts by the industries concerned. And in the event of war, he writes, these operations "could well mean the difference between victory and defeat."

Oil and steel—along with many other enterprises—accept big risks as a matter of course. And in the long run, the big winner is the public at large.

Patriotism Is Many Things

Patriotism isn't marching behind a band and puffing out your chest. Patriotism isn't a flash of fireworks one day of the year, and then submerging one's emotions the rest of the year. Patriotism isn't found in the whooping of the crowd or maudlin flag-waving.

Patriotism is the sum of the three cardinal virtues: Faith, hope and charity. Faith in the principles of our government; hope in the future of our country; charity toward all and malice toward none.

Patriotism is the emotion that makes a lump rise in the throat when some interpid spirit strives to achieve something that no human being ever before achieved.

Patriotism is to be unashamed at the moisture that comes welling up in our tear-ducts with the passing of some great and noble soul, who unselfishly devoted his life to the cause of mankind.

Patriotism is loving one's country, respecting its traditions and honoring its people, whether high or low, rich or poor.

Patriotism is standing firm and unselfish for the right, for the common good, and the peace and well-being of all; sacrificing self-interest, and unafraid against all opposi-

Making Liberty Count

Many nations celebrate an independence day of their own, a day commemorating their liberation from the yoke of a foreign power or the domination of a home-grown tyrant. With us it is the Fourth of July, and it has been so now for 182 years—no mean record.

There is a difference between the independence of free peoples and the independence days of peoples whose concepts of liberty are, to say the least, rather strained. Our notion of liberty is bound up with the principles of freedom of the individual. We believe that the state is the servant of its citizens; many others feel that the reverse is true.

This difference, elementary as it seems, is the keystone of our continued survival as a free people. It will hold firm so long as we support the basic tenet that the dignity of a human being must never be violated—by his own misbehavior, by the ill-will of his fellow-men, or by the uncaring prods of his government. Liberty can be a delicate plant, and it is up to us to tend it properly with intelligence, devotion, courage and tolerance.

Oh, My Aching Back!

It's no wonder you're usually tired by the time the day is over. Ever stop to figure out all you do every 24 hours?

According to Dr. Morris Fishbein, former editor of the American Medical Association and now one of the editors of the Journal Postgraduate Medicine, the person "of average weight" does all this every 24 hours:

Your heart beats—103,680 times.
You breathe—23,040 times.
You perspire—1.43 pints.
Your hair grows—.00174 inch.
You speak—5,000 words.
You use—seven million brain cells.
You say "yes, dear"—over and over.
You smell—slightly.
You cough—maybe.
Yep, it's a tough life, folks.

Out of Proportion

Two simple facts give you a clue to what has been happening in American history.

Fact one is output of goods in factories for each man-hour of work has risen only a trifle more than one per cent in the two years since 1955.

Fact two is that hourly pay of factory workers has in that same period gone up a bit more than 10 per cent.

Education is the most selfish thing in the world. The only person who can give it to you is you. Teachers can lead, suggest, a role even browbeat, but they can't make you learn. That you do alone.—Bedford (Indiana) Daily Times-Mail.

59 FORDS AWARDED GOLD MEDAL

by Comité Français de l'Élégance
at Brussels World's Fair

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Why did the Comité Français de l'Élégance bestow upon Ford its highest award? One firsthand look and you'll see why these altogether-new 59 Fords were called the world's most beautifully proportioned cars. You'll see it in the new Thinline Roof and see-it-all rear window... in every clean and gleaming, low-swept line.

Yes, every brand-new Ford styling feature... from Fashion Star Grille to Iris Eye Safety Taillights—is designed to keep that brand-newness! Its Diamond Lustre Finish, for example, never needs wax to keep its glitter. And when we tell you Ford's low first cost, you'll realize that this 59 Ford is beautifully proportioned to your budget, too!

President of Farm Bureau Unit Urges Citizens to Vote

"Vote for whom you please for governor in the coming general election, but please vote," C. E. Gregory, president of the Jones County Farm Bureau, urges all eligible voters in the county.

Reason our vote is important, he says, is because the number of votes cast for governor in the general election in your precinct determines the number of delegates your precinct will have to your party's county convention in 1960. In turn, it also determines how many delegates your county will be able to send to your party's state convention.

"It is in the interest of good government that the individual should participate in his political party's activities," Gregory said. "For, if the majority does not exercise its citizenship responsibilities, there is a real danger that a minority faction can take over the party machinery. And, if we are to keep our democratic form of government, the majority must always rule."

The Farm Bureau organization has been carrying on a good citizenship program on local, state and national levels this year. In addition to get-out-the-vote campaigns, the farm organization has made available to high schools high fidelity recordings of the national anthem and is sponsoring a nation-wide essay contest on the subject "How I Helped Elect Leaders for Freedom."

Bob Haynes Finishes Basic Training at Lackland Air Base

A release this week to The Herald from Lackland Air Force Base at San Antonio advises that Airman Bob J. Haynes, son of Robert E. Haynes of Hamlin, has recently completed his initial course of air force basic military training there. He has been selected to attend the technical training course for communication center specialists at Sheppard Air Force Base at Wichita Falls.

Airman Haynes is a graduate of Hamlin High School, and formerly was, empty tdeo aoHawo City Drug.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

HEAD-ON CRASH KILLS FOUR—Four persons were killed and two others injured when these two cars crashed head-on near Van Alstyne. Three of the dead were from Dallas and the other from Irving.

Gordon McLendon Named Chairman For Dimes March

Gordon McLendon has been named Texas state chairman for the 1959 March of Dimes, Basil O'Connor, president of the newly expanded National Foundation, announced this week.

"The March of Dimes has a bigger job than ever to accomplish," said McLendon in accepting the appointment. "We must continue to care for over 4,000 Texans already stricken by polio. New funds are needed to tackle additional major health problems, with arthritis and birth defects as initial new targets."

In research, O'Connor has previously announced, the revamped organization is extending its studies of virus diseases and disorders of the central nervous system, and is initiating an intensive search for preventive technique and improved treatment methods in arthritis and birth defects. It will also continue to support training of many professionals needed in the health field, he said.

McLendon, who is serving as state chairman for the second year, will lead 250 county chapters throughout the state in their efforts to raise sufficient funds for the new programs.

JUST FORGOT.

An absent-minded railroader called on his old friend, the family doctor. They chatted for a couple of hours. As the railroader rose to go, the doctor asked, "The family's all well, I suppose?" "Good heavens!" exclaimed his visitor, "that reminds me. My wife's having a flu."

STUDENT KILLED—Beauford Jester, 19-year-old son of Mrs. Josh R. Morris Sr. of Texarkana and the late Governor Beauford Jester of Texas, was killed when struck by an automobile driven by a teen-age youth at Conway, Arkansas. Jester was a student at Hendrix College there.

Attendance Record Established at Texas State Fair This Year

A new national attendance record for annual fairs in this country was established by the 1958 State Fair of Texas, which closed Sunday, October 19. Attendees included scores of people from the Hamlin section.

The fair's total attendance for the 16-day run was 2,757,734, which far exceeded last year's total of 2,540,967 and easily pushed past the previous record of 2,672,253 set in 1956.

The fair had four days that exceeded a quarter of a million people in attendance. The biggest day was the middle Saturday, when 320,866 visited the fair grounds, and the middle Sunday with 300,307 attendance was the biggest day the fair has ever had without a football game to bolster the crowds.

Tree Seedlings for Windbreaks to Be Available Soon

Hamlin area farmers and ranchers are interested in the announcement from College Station that some 9,000 tree seedlings will be available to West Texas land owners for windbreak plantings in early 1959. Don Young, head of the forest management department of the Texas Forest Service, announces in a release to The Herald.

"The supply for next year's plantings is limited, so those desiring seedlings should get their applications in early," Young said.

Application blanks for ordering the trees are now available upon request from the Director, Texas Forest Service, College Station. In addition, these order forms can be secured from county agents, Soil Conservation Districts and ASC offices in the West Texas area.

About 50,000 red cedar, 25,000 ponderosa pine and 15,000 Austrian pine seedlings will be procured for distribution by the Texas Forest Service and will be sold for \$1.25 per 100 prepaid.

Land owners in critical areas should establish farmstead or field windbreaks to prevent wind erosion of their valuable top soil," Young reported.

Deadline for ordering seedlings will be March 1, 1959. Seedlings will be shipped about the first week of March, 1959, to locations specified on the application blanks. Information on how to store and plant the seedlings is available upon request.

"The orders will be filled on a first come, first served basis," Young added.

It's remarkable that five-cent candy bars are still five cents, even though they have undergone drastic surgery in recent inflationary years.

AMENDMENTS

(concluded from page one)
recreational and other resources of Texas.

No. 8—Gives the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of old age assistance, aid to the blind, aid to dependent children or aid to the permanently and totally disabled; providing for the acceptance of funds from the federal government for the purpose of paying such assistance.

No. 9—Authorizes the Legislature to create a hospital district coextensive with the incorporated limits to the City of Amarillo, Texas, and a county-wide hospital district in Wichita County, Texas, an hospital districts in Jefferson County, Texas.

County People to Go To Farm Bureau Meet

Silver anniversary convention of the state's largest general farm organization, the Texas Farm Bureau, will be held at Corpus Christi November 9 to 12.

More than 1,500 members and their families, including almost 800 official voting delegates from 196 organized counties, are expected to attend the twenty-fifth annual meeting of the rapidly growing state Farm Bureau. Jones County's delegation will be headed by C. E. Gregory, county FB president.

BRA Reaffirms Plan To Buy Storage Space

Board of directors of the Brazos River Authority has voted to reaffirm its standing policy of buying conservation storage space in flood control reservoirs built by the U. S. Corps of Engineers—whenever such a move is economically sound.

This action enables the Army engineers to include maximum conservation benefits in projects now in the planning stage.

Xi Gamma Phi Group to Cooperate in Operation of Book-Mobile in County

Members of Xi Gamma Phi Chapter met last Thursday in the home of Mrs. W. L. Carlton. Refreshments of cake and coffee were served to the following members as they arrived: Mrs. W. L. Carlton, Mrs. W. T. Johnson, Mrs. M. L. Smith, J. O. Balfour, and Mrs. E. N. Jenkins.

Mrs. E. N. Jenkins to be Speaker at P-TA

Next regular meeting of the Hamlin Parent-Teacher Association will be next Thursday, November 6, at 3:45 o'clock p. m. in the Primary School cafeteria. P-TA officials announce.

Theme of the meeting will be "American Education: Why?" Invocation will be the parent-teacher prayer.

Entertainment features will be provided by pupils of the second grades. Thought of the month will be offered by Mrs. L. A. Joiner. Speaker will be Mrs. E. N. Jenkins.

John C. Bryant, Arlie Cassle, Jerry Waggoner and the hostess.

Mrs. Cassle gave an interesting program on "The Sense of Hearing." She told the group how we hear and what we hear.

A report was given about the book-mobile for Jones County, and the group voted to support the project. It is to be operated in Jones County free for one year. It will make the various communities of the county every two weeks. The club also will investigate sending food to needy families of the area for Thanksgiving. It was decided in business session.

The Xi Gamma Phi chapter members will be guests of the Delta Tacta chapter at the pledge dinner on November 15 in the Primary School cafeteria.

Next meeting of the chapter will be November 13 in the home of Mrs. W. T. Johnson, and Mrs. George Poe will have the program. The pledge service for new members will be at this time also.

DePriest Has 32 Girls Taking Homemaking

Thirty-two girls are enrolled in the homemaking department at DePriest Colored School, according to Mrs. E. F. Ford, instructor. Sixteen girls are in HE I of the ninth grade; seven are enrolled in HE II from the tenth grade; seven in HE II from the eleventh grade and two from the twelfth.

The homemaking department has been given small kitchen equipment, which furnishes the two-unit kitchen with adequate facilities for each kitchen.

The department has been approved by the state as a full-time vocational unit operating on a 10-month basis, school officials report.

For decades newspaper circulation has kept pace with the increasing number of U. S. households. Since 1920 the number of U. S. households has more than doubled, and newspaper circulation also has more than doubled.

Some units of Texas National Guard can trace their beginnings back to the defenders of the Alamo.

THESE WOMEN!

New Officers Named For Kings Daughters Sunday School Class

Officers for the ensuing year for the Kings Daughters Sunday School Class of the First Methodist Church were announced recently. They are: Mrs. R. J. Boyd, president; Mrs. Ira Parker, vice president; Mrs. C. D. Jones, secretary-treasurer; Mrs. Elmer Hawkins, assistant secretary-treasurer; Mrs. Tarlton Willingham, teacher; Mrs. E. M. Wilson, assistant teacher; Mrs. A. A. Hackley, pianist; Mrs. T. T. Brady, assistant pianist; Mrs. Earl Brown, song leader; Mrs. R. H. McCurdy, assistant song leader.

Chairman for each month of the ensuing year were named as follows: Mrs. L. B. Williams, October; Mrs. J. B. Terrell, November; Pearl Hudson, December; Mrs. V. V. Anderson, January; Mrs. Tom Teague, February; Mrs. Frank Hillier, March; Mrs. Clarence Hyer, April; Mrs. W. B. Cotton, May; Lulan Vaughan, June; Mrs. W. H. Parker, July; Mrs. E. K. Whittenburg, August; Mrs. T. C. Gabriel, September.

Gift committee for the class is composed of Mrs. Perry Sparks, Mrs. C. F. Cook and Mae James.

B&PW Club Attend Rotary Meet

The members of the Business and Professional Women's Club were invited to attend the weekly meeting of the Hamlin Rotary Club last Wednesday to hear Representative Truett Latimer of Abilene outline and explain the nine proposed amendments to the constitution of Texas, to be voted on in the November 4 general election.

B&PW Club members present were Mildred Young, Mrs. James Harrison, Mrs. Melvin Scott, Mrs. Kenneth Riddle, Mrs. W. L. Hunter Jr., Mrs. A. A. Hackley, Mrs. E. M. Wilson, Mrs. Ed Bailey, Maggie Seymore and Mrs. John Howard Jr.

Hennington-Carlisle Engagement Told

Mr. and Mrs. R. B. Hennington of McCauley are announcing the engagement and approaching marriage of their daughter, Carol Marie, to Robert Newport Carlisle, son of Mr. and Mrs. Robert Carlisle of Montevideo, Uruguay, South America.

The wedding will be on Thursday, November 27, at 6:30 p. m. in the First Baptist Church at McCauley.

Both Miss Hennington and her fiancé are students at Hardin-Simmons University at Abilene.

Practically every sale of every product manufactured in the United States will be purchased by one of the 100,000,000 people who read a newspaper on an average day.

At the turn of the century, on an average day, 15,000,000 newspapers were purchased. Today 58,000,000 newspapers are purchased on an average day.

Methodist Women In Monday Gathering

Members of the Woman's Society of Christian Service of the First Methodist Church met Monday afternoon with Mrs. J. B. Smallwood.

Mrs. C. F. Cook presided over the business session and read a little from Ann Richey thanking the group for the youth membership pin presented her by the women.

Mrs. Buren Carlton read the scripture and presented the program on "Eternal Vigilance Is the Price of Liberty."

Refreshments were served by Mrs. Smallwood to nine members present for the meeting.

Despite increased competition for people's time, newspaper circulation in the United States has reached a new all-time high of 58,000,000 newspapers purchased daily. With Canada added, the figure is over 61,000,000 newspapers purchased daily.

New Decorations and Accessories for Season to Emphasize Women's Legs

All eyes will be on legs this year, declares Vivian Brown, AP Newsfeatures beauty editor, in a release to The Herald. She continues: Fashionable girls should keep shorter dresses in mind when assembling their wardrobe of leg accessories.

And it will be a wardrobe, judging by the number of leg ornaments that have made their appearance. There are dazzling garters of real rubies and diamonds at \$1,200 a leg or less spectacular garters of seed pearls and silver bells. Colored hosiery is handsomely decorated with clocks that run halfway up the back of the stocking, hand-painted bees that swarm to the knees, and sprays of roses decorate instep or ankle. There are stockings decorated with rhinestones and some with jet beads.

Grooming products run the gamut of important accessories for winter legs. Leg lotions and creams in squeeze bottles are designed especially for heels that must be sleek beneath sheer stockings. Electric razors in princess pink or blue hues are attractive enough to exhibit on the vanity table, and leg make-up is back again to be worn under stockings to give legs a mat finish or to smooth legs that are discolored or scarred by prominent veins. Other items that must be kept on the grooming shelf are pumice and stiff brushes for removing callous and bunions. If you'd pretty your knees and the backs of your heels, rouge is said to be the answer.

A variety of garters and spats are other ways girls call attention to their legs this season.

Pied Pipers Go To Seymour For Second Loop Tilt Friday

Andrews Squad Enters Fray with Game Advantage

After a week of sitting on the bench while the other four teams of District 6-AA were having two conference tilts, the Hamlin Pied Pipers go into action again Friday night against the Seymour Panthers, last year's district champions. The tilt will be played at Seymour.

Charges of Coaches D. C. Andrews and Jimmy Vaughn will be in good shape for the fracas. Several of the stellar performers had been nursing minor injuries, and the regular line-up will be on tap Friday night, it is indicated.

The Pied Pipers enter the melee with a better season record than the Panthers. Seymour has won two of seven games played, winning from Munday 39 to 6 and over Childress 43 to 18. They have lost 18 to 20 to Crowell, 0 to 16 to Olney, 6 to 25 to Electra, 15 to 22 to Anson and 14 to 30 to Haskell.

Hamlin has won four of seven games this season. The Pipers defeated Eastland 20 to 14, Merkel 24 to 14, Rotan 32 to 8, and Childress 26 to 12. They lost 18 to 28 to Spur, 0 to 8 to Winters, and 0 to 6 to Haskell.

A big delegation of fans is expected to follow the Pied Pipers to Seymour Friday night, including

DISTRICT 6-AA STANDINGS

Standings in the percentage columns of District 6-AA football teams were altered last week-end as the second round of conference tilts were played. The Hamlin Pied Pipers were idle. The season and district standings follow:

Teams	P.	W.	L.	T.	Pct.
Stamford	7	6	1	0	.857
Haskell	8	5	2	1	.687
Hamlin	7	4	3	0	.571
Seymour	7	3	4	0	.518
Anson	8	1	6	1	.187

Teams	P.	W.	L.	T.	Pct.
Haskell	2	2	0	0	1.000
Stamford	1	1	0	0	1.000
Anson	2	1	1	0	.500
Hamlin	1	0	1	0	.000
Seymour	2	0	2	0	.000

Results Last Week.
Haskell 30, Seymour 14.
Stamford 50, Anson 0.
Hamlin was idle.
Where They Play Friday.
Hamlin at Seymour.
Haskell at Stamford.
Anson—Open date.

Afghanistan is approximately the same size as the state of Texas.

ing the 70-member girls' Pep Squad and the 60-piece Pied Piper Band. The band, under direction of Mac Fullerton, and the Pep Squad, under direction of Dora Mitchell, have been practicing new maneuvers that will be staged between halves in the game.

School officials announce that no advance sale of tickets is being conducted, as no reserved seats are available at Seymour—first arrivals get their choice of seats.

B Squad Gridders Blank Anson 56-0 In Thursday Tilt

Hamlin High School's B grid squad went wild last Thursday night and swamped the B crew from Anson High School to the tune of 56 to 0.

Anson kicked to Hamlin and before one minute had passed Hamlin's quarterback, Mike Bond, made a touchdown. McCanlies made the extra point.

Hamlin kicked to Anson, but soon took the ball on downs. Mike Bond again ran over a marker, and Sam Hodges made the extra point.

Anson scored early in the second quarter, but the extra point try failed.

Again Hamlin Bs ran the ball over for the third touchdown, and the extra point was good.

In the third quarter Ford took a long pass from Bond and ran the ball to the 10-yard spot. McCanlies made the touchdown, and the extra point was made by Rangel.

Late in the third period McCanlies took a pass from Austin and ran 50 yards for the fifth Hamlin score.

Early in the fourth quarter Dwight Griggs ran 45 yards for a Hamlin touchdown. Dave Bellamy made the extra point.

With one minute left in the game Dwight Griggs made the last Hamlin touchdown. Extra point was good to make the score Hamlin 56, Anson 6—Jerry Warren.

A certain species of ant cultivates grass around its hill, harvests the seeds and stores them away for food.

Junior High Crew Holds Albany to 8-8 Tie Tuesday

Coach Harry Martin's Junior High School team rose to the occasion in playing the Albany Cubs to an 8 to 8 tie here last Tuesday night. In the previous game between the same teams Albany won easily by a 44 to 0 score.

Hamlin's Mighty Mice threw up a fine defense to pretty well halt the Albany ground game. Albany scored in the second quarter to take a half-time 8 to 0 lead.

Hamlin came back to tie the game up in the fourth quarter. The Hamlin score was set up on a punt return of 20 yards to the Albany 20-yard line by Mike Martin.

A pass from Van Newberry to Raymond Renfro moved the ball to the Albany 10. Dan Newberry plunged through the center of the line for the six points. Van Newberry slid off the right side for the tying two points.

Hamlin had the ball on its own 30-yard line at the end of the game after stopping Albany at the Hamlin 20.

The Hamlin line of Wolf, Shelburne, Payne, Weaver, Moore, Stephens, Kelly, Brown, Chandler and Smith played smart, aggressive football in stopping the big Albany backs. Van Newberry did very well in passing from a spread formation to Raymond Renfro, Danny Niedecken and Larry Blackwell. Dan Newberry was the outstanding defensive player in the game from his line-backer position.

Pecan Gatherers on Job at Dunnam Farm

Rainy weather failed to dampen the zeal of pecan gatherers who swarmed last week to the W. E. Dunnam farm, 10 miles south of Hamlin, when it was announced that a good crop of the popular nuts was ready for harvest.

People from Lubbock, Kermit, Midland, Knox City, Abilene, Sylvestre, Hamilton, Hamlin and Anson were on hand to gather the pecans on the shares.

More than 5,000 pounds of the pecans were put in storage by the Dunnam as their share of the crop this year. Varieties include native, Burkett, Schley and Western Prolific.

Results of Last Week's District 6-AA Games Indicate Strength of Teams

Strength of District 6-AA football teams pretty well shaped up in last week-end's games. Haskell defeated Seymour 30 to 14, and Stamford did the expected by soundly thumping the Anson Tigers 50 to 0.

Hamlin's Pied Pipers were taking their only breather of the season by resting out the week-end. They now have three conference games in a row.

Haskell's Indians reeled off two touchdowns in the first quarter Friday night at Haskell to prove their spunk to the Seymour Panthers, last year's district winners. Again in the third period the Reds pushed over two more markers to hold a 30 to 0 lead after three periods. Scoring the touchdowns were John Rike, John Anderson and Eugene Mullins (two). Anderson ran over the extra two points after the first marker. Mullins added the two points after the second, and Rike added the two points after the third on a Wolfe-to-Rike pass.

Seymour tallied its touchdowns in the fourth period. Billy Carlock went over for the first touchdown and also ran over the two extra points. Eldon Welch passed to Travis Calrk for the second Panther marker.

Haskell made 18 first downs to 10 for Seymour. The Indians racked up 325 yards on the ground to 123 yards for Seymour, and the Indians connected with four of 12 passes for 78 yards while the Panthers made 49 yards on four of 13 pass completions.

Don Davis led the blistering Stamford Bulldogs attack against the Anson Tigers Friday night at

Junior High Gridders Host Anson Tuesday

Hamlin's Junior High School teams will play host to the Anson Cubs next Tuesday night in the last home game of the season. Anson won the first encounter at Anson by an 18 to 6 score.

Anson features a fine passing attack. Hamlin will be seeking to keep its record clean at home this year, having defeated Merkel, Haskell and tying Albany in previous home games.

Statement of Ownership, Management And Circulation of The Hamlin Herald

Statement required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (Title 39, United States code, Section 233) showing the ownership, management and circulation of The Hamlin Herald, published weekly at Hamlin, Texas, for October 1, 1958.

1. The name and address of the publisher, editor, managing editor and business manager is Willard Jones, Hamlin, Texas.

2. The owner is Willard Jones, Hamlin, Texas.

3. The known bondholders, mortgages and other security holders owning or holding one per cent or more of total amount of bonds, mortgages or other securities are: Mrs. Rose Reader of Stephenville, Texas; F. & M. National Bank of Hamlin, Texas; First National Bank of Abilene, Texas.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as a trustee or in any other fiduciary relation the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief

as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was (this information is required from daily, weekly, semi-weekly and tri-weekly newspapers) 1,352. —Willard Jones, owner.

Sworn to and subscribed before me this 17th day of October, 1958. —May Gay, Notary Public. (My commission expires June 1, 1959).

Seventh Grade Unit Camp Fire Girls Tour Abilene Industries

Members of the seventh grade Camp Fire Girls group met September 26 at the Camp Fire hut for a mother-and-daughter tea. Two new leaders were elected, and games were played. Mrs. Grady Smith and Mrs. C. L. Howard are the new leaders.

On October 10 the girls met at the hut and new songs were learned. Officers for the coming year were elected as follows: Sue Johnson, president; Anna Adams, vice president; Judy Fitzgerald, secretary; and Ann Johnson, reporter.

On October 17 refreshments were served to the group, and plans were made for a visit to places of interest in Abilene on Saturday, October 25.

Eleven girls and two leaders left the Camp Fire hut at 9:00 o'clock Saturday, October 25, for a trip to Abilene. They visited the Spudnut Bakery, the Coca-Cola plant, Lankford's Garment Factory, and TV Station KRBC. The group then enjoyed lunch at the cafeteria in River Oaks shopping village. After that the girls went shopping.

Making the Abilene trip were Judy Fitzgerald, Sue Johnson, Kay McCoy, Lynn Ann Miller, Joyce Smith, Ann Johnson, Mary Fitzgerald, Lenora Brown, Teresa Josey, Anna Adams, Ginger Kidd, and the sponsors, Mrs. C. L. Howard and Allen and Mrs. Grady Smith.

Father of Dr. Pattillo Dies Here Tuesday: Funeral at Liberty

R. L. Pattillo, 70-year-old retired groceryman and meat cutter of Liberty, died last Tuesday at the Hamlin home of his son, Dr. William A. Pattillo following a heart attack. He had suffered several attacks recently.

Born in Texarkana, Arkansas, he had moved with his family to Liberty many years ago. He was a deacon in the Baptist Church.

The body was taken to Liberty last Tuesday, and funeral services were conducted Thursday at the First Baptist Church in Liberty. Dr. Pattillo and family attended the rites.

Survivors include the widow, Mrs. R. L. Pattillo; two sons, R. L. Pattillo Jr. of California and Dr. William A. Pattillo of

Newberry Attends Principals' Meeting

B. V. Newberry, principal of Hamlin High School, was in Houston last week to attend the annual conferences of the Secondary School Administrators and Principals Association. Outstanding educators of the country were on the four-day program.

Newberry witnessed the Texas University-Rice Institute football game Saturday night at Houston.

PREJUDICED.

Ideas are like children — no matter how much you admire someone else's, you can't help liking your own best.

Hamlin; two daughters, Mrs. George McInturf of El Paso and Mrs. A. J. Blanton of Liberty; and 10 grandchildren.

Big Prizes Posted for Cattle at Stock Show

Prize money for various cattle classes at the 1959 Southwestern Exposition and Fat Stock Show will total more than \$57,000, W. A. King, superintendent of livestock, has announced from Fort Worth.

The seven breeds of beef breeding cattle are allotted a large share of the premium total. The awards for the breeds are: Herefords, \$13,800; Polled Herefords, \$5,000; Shorthorns, \$4,532; Aberdeen-Angus, \$10,000; Brahman, \$2,000; Santa Gertrudis, \$800; Brangus, \$2,000; and Red Angus, \$800.

Scores of Hamlin area people are scheduled to attend the exposition.

For most people, high ideals arrive late in life, after financial security or guilt complex.

Church of Christ Tabs Six Additions in Meet

Bid crowds attended all services of the series of gospel messages conducted last week at the Hamlin Church of Christ, reports Austin Siburt, minister of the church. Six additions to the church were reported during the meeting.

Evangelist for the series of services that began October 19 and closed Sunday night was Cleo Scott of Houston, former minister of the local church. Rodney Spaulding, Hamlin youth who is a ministerial student at Abilene Christian College, directed the singing.

MISSING LINK.

Historians tell us about the past and economists about the future. Thus only the present in confusing.

County Agents Go to A. & M. Conference

County Home Demonstration Agent Mary Newberry and County Agent Kirby Clayton are attending the annual extension agents' conference at Texas A. & M. College this week. At conferences the agents will be brought up-to-date on the latest extension teaching methods to be applied in the county extension program.

This conference is a requirement for all extension workers. They will return to their offices Monday.

Ken Ballew Named as Homecoming Leader

Ken Ballew, son of Mr. and Mrs. S. C. Ballew of Hamlin, is one of the officials named for the annual homecoming of Texas Technological College students, it is announced by Pat Booth of Dallas, homecoming chairman.

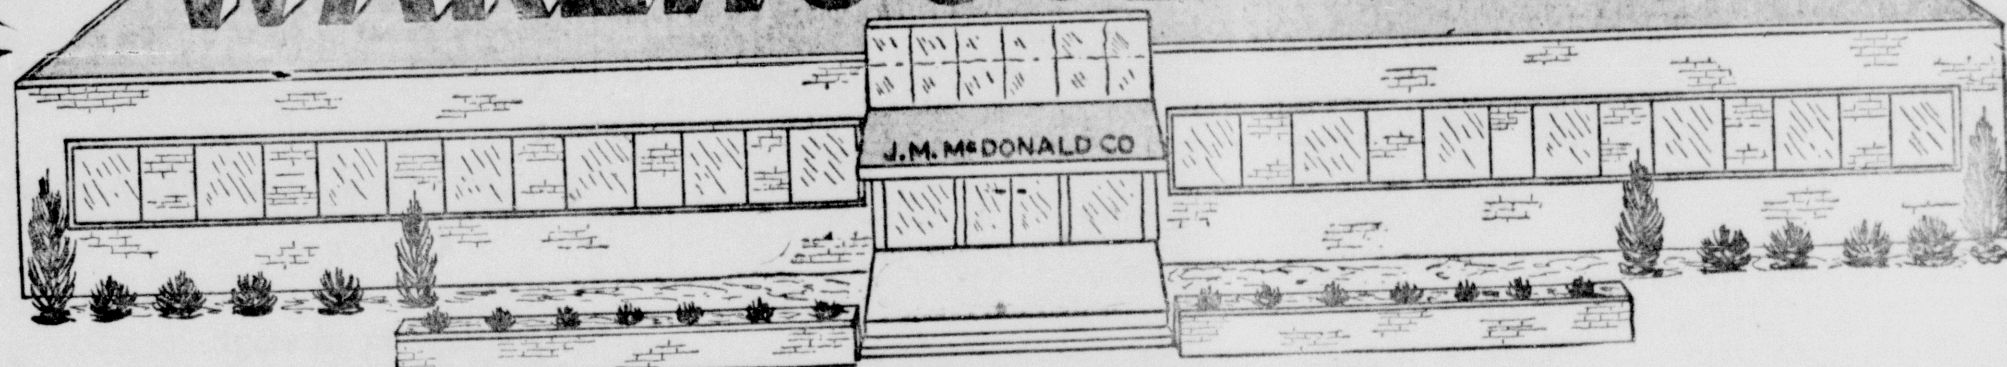

The homecoming is set for Saturday, November 22, and many Hamlin area ex-students are slated to attend the gathering.

Ken is in charge of arrangements for the unit luncheon for participants in the Pigskin Review.

CONGRATULATIONS extended to Walter Matthau and Felicia Farr on their wedding with Andy Griffith in a scene from Warner Bros. "Onionhead," opening Friday and playing through Monday at the Hamlin Drive-In Theater. Young Griffith stars as Coast Guardsman in hilarious screen version of Weldon Hill's best selling novel.

Marvin Carlton Goes To Principals' Meet

October 23; Travis Townsend, October 25; Margaret Ann Johnson, October 21; Bill Johnson, October 21; Connie Ray Hale, October 24; Keith Baldree of Aspermont, October 23; Mrs. G. Y. Potter, October 25; Dan Gallagher of Jayton, October 26; Mrs. Dean Adams of Bronte, October 23; T. F. Vaughan, October 23; I. M. Roberts of Sylvester, October 25; Mrs. J. T. Bennett, October 25; Mrs. Leo Larkin, October 26; LaFoy Patterson, October 23; Viola Avants, October 20; Mrs. J. A. Mayfield of Anson, October 21; Kay Foster of Aspermont, October 25; B. Middleton, October 25.

Marvin Carlton, principal of the Hamlin Junior High School, was in Graham this week to attend a regional meeting of the Elementary Principals and Supervisors Association.

Among those appearing on the program was Dr. Lee Middleton, state assistant commissioner of education.

Carlton accompanied Principal Pete Lollar of Anson Ward School and E. M. Connell, county supervisor of Schools, also of Anson.

The best way to break a bad habit is to drop it.

Livestock on Slow Side at Fort Worth As Prices Waver in Face of Pressure

Slaughter classes of lambs were fully 50 cents to \$1 lower at Fort Worth Monday, declares Ted Gouldy, special market reporter for The Herald, in his weekly market summary. He continues: Feeders, older sheep and goats ruled steady. Weakness developed in the slaughter trade early as one of the major packers, with large numbers of directs received over the week-end, was not a factor in the trade. Up until now not a single sheep had been weighed to this national packer and its buyers were not making serious effort to obtain any supplies even at the reduced levels on slaughter lambs.

Good to choice slaughter lambs sold from \$20 to \$21. Stocker and feeder lambs were reported from \$18 to \$21.50. Yearling wethers cashed at \$16 to \$19, and two-year-olds sold at \$15 down. Goats cashed at \$7 to \$8, and slaughter ewes sold from \$7.50 to \$8.

In the cattle yards cows were slow and steady to weak at Fort Worth Monday. Other grades and classes of cattle and calves were generally steady, with some spots stronger on stocker classes.

Good to choice slaughter steers and yearlings drew \$24 to \$26.25, a load of 1,004-pound steers at the latter figure. Medium and lower grades cashed at \$17 to \$23.75, two loads of fed heifers at \$23.75. Fat cows cleared at \$18.50 to

\$20, odd head higher, and canners and cutters sold from \$13 to \$18.50. Bulls brought \$18 to \$23.

Good and choice slaughter calves sold from \$24 to \$26.50, with plain and medium butcher sorts from \$18 to \$23.50, and culls around \$16 to \$18.

Medium and good stocker steer calves sold from \$27 to \$31.50, and medium to good heifer calves sold from \$24 to \$28. Medium to good stocker yearlings drew \$24 to \$27.

Hogs were 25 to 50 cents lower at Fort Worth. Choice hogs topped at \$19 to \$19.25, and medium to good hogs sold from \$17.50 to \$18.75. Sows sold mostly at \$17 to \$18, a few higher.

Freight Carloadings For Santa Fe Still Up

Freight carloadings for the Santa Fe Railway System for the week ending October 25, 1958, were 29,891 compared with 23,451 for the same week a year ago, reflecting a continuing increase. Cars received from connections totaled 12,669 compared with 12,109 for the same week in 1957.

Total cars moved were 42,560 compared with 35,660 for the same week a year ago. Santa Fe handled a total of 42,196 cars in the preceding week this year.

TELEPHONE TALK

W Club Active in Civic Projects

One of the most active civic clubs of the Hamlin community is recent years has been the Business and Professional Woman's Club. Not content with being a social organization, the group has completed many worthwhile community projects, helping to make the community a better one in which to live.

To mention a few of its accomplishments: The B&PW Club has sponsored the annual sale of Christmas TB Seals for several years, handling the tedious task of addressing, stuffing and mailing thousands of letters to prospective donors; it has for two seasons handled details of the downtown Christmas lighting project; it has sponsored equipping and cleaning up of Hamlin City Park; it has fostered a downtown office for the annual Hamlin High School homecoming.

We at Southwestern Bell Telephone Company want to salute such a worthy organization as the Hamlin Business and Professional Woman's Club. We are happy that a number of our employees are members of the club.

For Husbands Only

I suspect some wives will sneak a peek at this simply because it says, "For Husbands Only." But just this once I'd like to have a man-to-man talk with all husbands.

About this time of year—halfway between summer vacations and Christmas—things settle down and your wife is probably doing a bit of dreaming. Maybe it's that trip you've always planned to take, or a new house, or even a sports car. Dreaming's fine, but it usually takes a lot of years to make a big dream come true. However, little dreams take less time. In fact, just a minute or two.

So here's my hint for husbands. Order an extension phone in color for the bedroom. I'll guarantee that it will perk up your wife's morale like a new hairdo or a new hat. Even better, it will make a hero out of you.

Just call the telephone business office today. A service representative will help you pick the right color.

It's Real Family Fun

Sunday is a real family day.

Many of us have our families around us, and we spend the day going to church, relaxing, chatting, just doing things together.

However, some people have members of their families living away from home—either away at college or married sons or daughters living in another part of the country.

There's really no reason to leave them out of the happy Sunday get-togethers. Just pick up the telephone and make a long distance call. That way, Sunday is fun for everyone in the family.

Why not this Sunday? You'll surprise the "out-of-towners" and have a lot of fun on your end of the line, too.

Call by number. It's twice as fast.

NEW CHRYSLER '59

the lion-hearted car that's every inch a new adventure

In the

style that set the standard for an industry: Chrysler New Yorker 4-door Hardtop

The adventure starts the moment you see this lion-hearted Chrysler '59. From its regal new grille to its channeled roof to its gently rising fins, Chrysler keeps its beauty simple!

Let Chrysler's new Swivel Seat turn with you as you ease behind the wheel. Feel it lock securely into place. Measure Chrysler's new dimensions of leg, head and hip room. Look around you through tempered safety glass windows.

Judge the strength of the new Golden Lion engine. Feel how True-Level Torsion-Aire Ride calms the road. Set Chrysler's Auto-Pilot. This optional driver-assist holds and patrols your speed, lets you cruise with your foot off the accelerator.

See this lion-hearted Chrysler. Your Chrysler dealer has 15 new models in a wide price range.

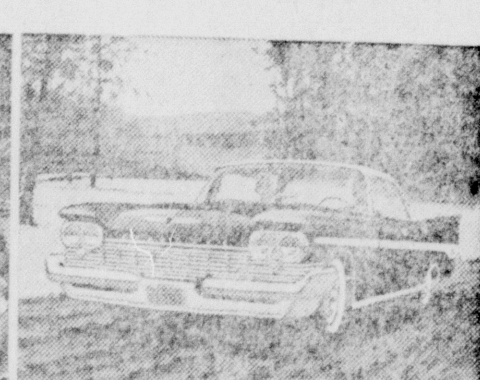

LION-HEARTED CHRYSLER '59

New Swivel Seat! Available in '59, this Chrysler exclusive turns in and out with you as you enter and leave the car. Combines convenience with comfort.

New Golden Lion Engine! Puts out more power, more torque per pound than any Chrysler engine in history. Choice of 305, 325 or 350 horsepower.

New True-Level Torsion-Aire Ride! An exclusive Chrysler extra that combines the comfort of air suspension with the control of torsion bars.
